## PT.AGRO TUNGGAL PERKASA

### About Us

**PT. AGRO TUNGGAL PERKASA** was first established in 2020, and strives to continue to develop into a leading company in the field of spices especially cinnamon, more than hundreds of tons of spices out of our country, the country's most rich in spices, in western Indonesia, the quality produced is the best in the world and meet export requirements, the most widely cultivated cinnamon is cinnanom Burmanni or Cassia Vera, which comes from Kerinci - Jambi Indonesia. At first we were only collectors spices and brought to the factory, but after a long time we developed and established exporter company.
