About Us

GSTe Indonesia is the leading supplier of tea products from Indonesia. We are a company engaged in manufacturing various tea with high-quality materials. Our plantations are spread across Western Indonesia.

Indonesia is blessed with abundant supply of clean water, vast area of fertilized soil which makes tea tree able to grow in substantial amount with remarkable qualities. Furthermore because Indonesia is a tropical country with a stable temperature as its advantage, tea harvesting can be done all year round. In this case we have plenty of tea supply.

Our Company has served customers from all over the world and it has become our top priority to meet our customers' satisfaction and expectations.

INNOVATION

Innovation means inventing, designing, and developing products and services that have high appeal in the marketplace and strengthen customer preference for the GSTE Indonesia Indonesia project.

Our Products

Black Tea

Black Tea is a type of tea which has higher caffeine level than another types. Our Black Tea has its own strong uniqueness in taste and scent. The black tea was fermented to improve the quality and get the desired mouthfeel and aftertaste. It comes from a type of tea tree that grows on different tea plantations with high altitude across West Java Mountains (Pengalengan, Rancabali, Tangkuban Perahu).

GSTE Indonesia black tea manufacturer is located in West Java, Indonesia.

Our Products

Green Tea

Green Tea is known for its medicinal benefit for human health and it has a therapeutic aroma.

Our green tea plantations are located in high altitude area across West Java (Pengalengan, Ciwidey, Lembang).

GSTE Indonesia green tea manufacturer is located in West Java, Indonesia.

Let's work together.
