ABOUT US

PT Agra Berkas Semesta is a company that sources and trades natural spices from all over Indonesia. We started our company to supply food industry and local market in Indonesia. As we grow as a company, we decided to expand our market broader to all over the world.

We are assured the prospect of Indonesian's rich natural spices. Having experiences in trades and supplying spices to Food industries and retailers, we are confident to provide the best quality of products and services to our clients both domestically and globally since 2015.

Our commitment to maintain trust and satisfactions of our clients. To aim that goals, we are supported by experts team and collaborating with local farmers to maintain the great quality of our products.

Our Vision

To be a reliable and trusted company that provides natural spices in the global market and satisfy our customers' needs with excellent quality.

Our Mission

To fulfill our customers needs by providing best quality of products, competitive prices and on-time deliveries to meet our customers' specifications and needs.

Maintaining and improving our quality control of our products.

To continue supporting and contributing our local farmers' welfare sustainably.

OUR VALUES

Integrity

Integrity builds confidence. It is the thing that our business values most. The business consistently chooses to treat customers, suppliers, and employees with honesty, fairness, and respect.

Passion

Building a stronger and larger company is something that the owner, supplier, and every employees are equally passionate about and committed to
