

# CORPS GLOBAL

CV corps global is an export company in Indonesia  
We provide original Indonesian products.

The initial establishment of the company was based on the abundance of wealth and partner companies that were difficult to develop in the local market.

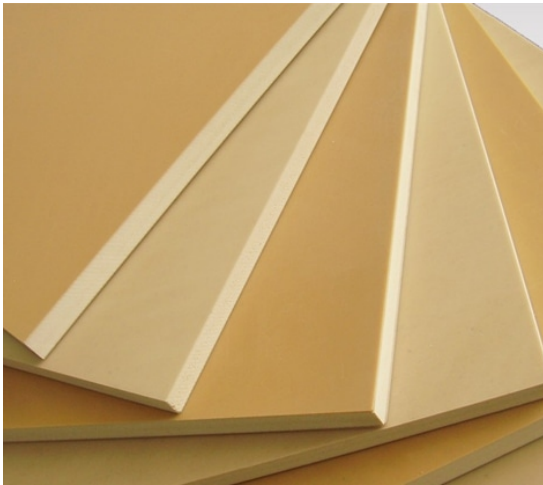

Therefore we collect products with export quality. And growing very well.

Established since 2018 in Sragen, Central Java, we have collaborated with many companies around the world. We place great importance on quality for our partners all over the world. Punctuality and family also keep us growing

Today, already Five local companies joined by a highly experienced workforce. And a very high quality product. These include coconut products, wood products, rattan products, plywood products and bamboo products.

Because the welfare of the workers depends on CV corps global, the relationship between us is no longer a work relationship but a family relationship. We also maintain good relations with buyers and always try to satisfy our customers.

We use the latest technology and professional craftsmen. . With raw materials that are very abundant in our country, we can ensure the best quality that we produce.

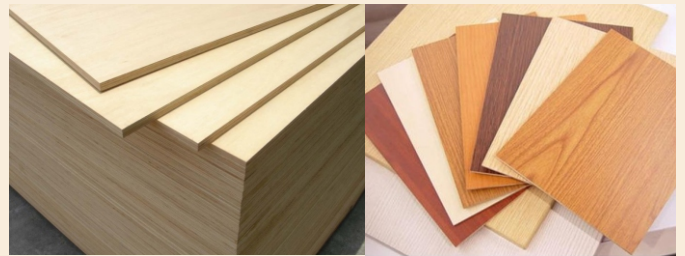

# PRODUCTS

**Wood Products** - we produce all kinds of furniture, among others. Office furniture, home furniture, and outdoor furniture. We also produce handicrafts, parquet flooring, and miniatures made of wood. The wood we use is teak, Mahogany, and many other hardwood materials. We can also produce to order.

**Produk plywood** - There are various types that are produced, including hard wood and soft wood, block board, special panels. The wood we use is jabon and albasia, or according to the desired order.

**Bamboo products** - with the quality of bamboo that has been tested, we can produce furniture from bamboo and rattan, besides that we also produce very aesthetic and artistic handicrafts.

**Coconut products**- Indonesia is a coconut-producing country that has been recognized by the world. Many farmers and coconut plantations of varying quality. Our company processes several products produced from Coconut. Dehusked coconut, charcoal briquette coconut, cocofiber are the products we offer.

**Custom products**- all products from our company can serve according to your request. From size, material, shape, and others. The prices of all our products are the cheapest and The quality of our products is the best.
