PROFILE

About Us

PT Bintang Export Asia is a conventional and organic certified agricultural product trading company founded in 2022. We have business partners in several provinces from Java to Sumatra. Our company provides products in small and large quantities. The products we provide are the highest quality products at very competitive prices because we have professional suppliers and business partners to guarantee quality and quality. The purpose of establishing our company is to help farmers and businesses to market their products in the international market. We already have export licenses from the central government starting from the Ministry of Trade to the Ministry of Agriculture of the Republic of Indonesia. We are determined to serve customers wholeheartedly because customer satisfaction is a priority for us.

Vision

To become the leading and best agricultural commodity company in Indonesia in providing satisfaction to customers around the world.

Mission

To work closely with local suppliers to provide products according to customer demand. We also cooperate with related parties to ensure the products we produce have superior quality that can compete in all corners of the world and distribute products throughout the world, we cooperate with several companies abroad.

COMMITMENT

Manufactures

We maintain close relationships with local producers, to ensure compliance with market demands.

Vision

We always carry out detailed and thorough checks and supervision, starting from the supply of raw materials, the production process to the delivery process

Other Parties

We establish close relationships with several related parties, both at home and abroad to help expedite the production process to the export process.

We are registered on :
