Rattan Gray Sofas & Chairs

Rattan chairs are combined with iron frames of various shapes.

Rattan Art  
INDONESIA

The lightshade will further emphasize the casting of rustic and ethnic themed spaces that we make with a variety of natural fiber base materials

High-value artwork because it combines two expert artists of rattan and leather handicrafts.

Sofas and furniture chairs are various models with organic rattan base materials according to the buyer's form demand.

Baskets and other rattan gray crafts without eco-friendly chemical dyes on demand.

Decoration from the waste of rattan artists that are not used, we make into an artful work.

This woven craft is the work of artists made for animal lovers such as cats and dogs

## Product Categories

## People

We are very concerned about the welfare and prosperity of the surrounding community after the pandemic, for that every transaction of your 3% of profits will be donated to the post-pandemic economic acceleration recovery program including:

- Recovery of MSMEs.
- Community Social Assistance.
- Development of Disadvantaged Villages and other activities supported by the Indonesian Export Channel entrepreneurs Association

## Planting

In the business aspect to support the availability of the production results from rattan related to the number of weavers. We empower and collaborate with traditional craftsmen groups and conduct training to create new craftsmen while providing jobs to the wider community.

## Profitable

Profitability we mean With a continuing gap in all commercial activities. So all the human resources in this case rattan artisans will continue to produce a work that does not disappoint, so that the brand will produce a high consumer satisfaction.

We expect to produce works that provide satisfaction to purchasers and consumers, with its sustainability will continue to grow and mutually beneficial cycle.
