*Trust and Integrity*

## About Us

Craftsmen, farmers, and home industries are often in an unfavourable condition where the transaction gives them several disadvantaged situations due to their limited access to information.

We established Nagam to provide a safe line of transactions so they can grow properly without worries.

**"Trust is a good business practice."**

Jim Blasingame

## Our Mission

Trades in fairness and abiding by the law, prioritizing its compliance with the applicable laws and regulations whether it is Indonesia's or our partner country's law.

## Our Vision

Provide a safe and profitable business environment for small businesses around the world.
