

**Manufacture Rattan And Wood Furniture**

## **OVERVIEW**

Established in 2017 under name CV. CIPTA ABADI, Our company focused on furniture industry by using rattan the main raw material and wood as an export commodity.

## **MARKET**

CV.CIPTA ABADI is a manufacturer with the export orientation. Through extensive experience, we are able to market our products worldwide. Our current markets are United States, Australia, the Netherlands, France, Europe and others.

## **PRICE AND QUALITY**

We prioritize quality at competitive prices. We are supported by approximately 100 good team skills and skilled craftsmen. We could develop custom product according to what the customer wants.

## **PRODUCTS AND MATERIALS**

We have a large collection of chairs (dining, benches, special indoor and outdoor terraces), bedding sets, shelves, sofa seating sets, baskets, mirrors. Since the first step is to determine the material, we always choose good materials to produce. We made furniture from rattan, bamboo, wood and other materials. We mix and match rattan and wood decorations into a beautiful collection. We are customer satisfaction oriented.
