- Membina para produsen – produsen UMKM di Indonesia untuk menghasilkan barang yang berkualitas tinggi dan sesuai dengan standar Internasional agar dapat di perjual belikan di pasar global.
- Membuat daftar barang yang lengkap dan berkualitas dengan harga yang kompetitif untuk dapat di tawarkan kepada perusahaan luar negeri.
- Ikut serta dalam asosiasi Ekspor – Impor milik pemerintah maupun swasta dalam menjalin hubungan kerjasama dan berbagi informasi antar perusahaan perdagangan di Indonesia.
- Membuka lahan informasi yang luas untuk seluruh aspek perdagangan antar luar negeri yang berbasis e-commerce agar dapat di akses dengan mudah oleh kemitraan dalam negeri ataupun luar negeri.
- Menjunjung tinggi aspek Integritas Komunikasi, Inovasi kreatif, Komitmen dan Kualitas agar hubungan Internal dan Eksternal perusahaan berjalan dengan baik dan maksimal.
- *Cooperating with SME in Indonesia to export their products.*
- *Fostering SME producers in Indonesia to produce high quality products and in accordance with international standards so the product can be traded in the global market.*
- *Make a complete best quality list of products at competitive prices to be offered to foreign companies.*
- *Participate in government-owned and/or private export-Import associations to establish cooperative relationships and information sharing between trading companies in Indonesia.*
- *Open up a vast field of information for all aspects of international trading based on e-commerce so that it can be easily accessed by domestic or foreign companies.*
- *Uphold the aspects of Integrity in Communications, Creative Innovation, Commitment and Quality, so the company's Internal and External relations runs well and effective.*

# CORE VALUES

Kami mempunyai komitmen untuk memberikan pelayanan dan kualitas produk yang terbaik untuk klien dengan menjunjung tinggi Integritas Komunikasi, Inovasi Kreatif, menjaga Komitmen, dan Kualitas berstandar internasional

*We are committed to provide the best service and quality for clients by upholding Communication Integrity, Creative Innovation, maintaining Commitment and International Standard Quality.*

**COMMUNICATION  
INTEGRITY**

**CREATIVE  
INNOVATION**

**COMMITMENT**

**INTERNATIONAL  
STANDARD QUALITY**

## **COMMUNICATION INTEGRITY**

*Integrity is more than honesty, this means telling the truth, being open, and not taking advantage of others. It is also included in words, tone of voice, and body language that we bring to every conversation: formal and informal*

## **CREATIVE INNOVATION**

*Creativity and Innovation are related but separated notions, and each required for workplace success to make outstanding improvements for the business*

## **COMMITMENT**

*Commitment is the decision to go forward, to hang in there when thing gets tough, to take one more step when you are convinced all the strength is gone to fulfill the promise and agreement to our clients*

## **INTERNATIONAL STANDARD QUALITY**

*We are committed to bring the best quality that meets international standard in our product to maintain reliability to our clients*
