MESSAGE FROM FOUNDER

A good objective of leadership is to help those who are doing poorly to do well and to help those who are doing well to do even better

Tricia Elisabeth

Founder Cakrawala Mafa kencana

Cakrawala Mafa Kencana understands the importance of building strong relationships with suppliers, ensuring a steady supply chain that meets the demands of customers. Through meticulous sourcing, rigorous quality control, and efficient logistics management, the company guarantees the delivery of goods that exceed customer expectations.

One of the key pillars of Cakrawala Mafa Kencana value proposition is its dedication to customer satisfaction. The company firmly believes that customer success is its success. By prioritizing customer needs and providing personalized support, Cakrawala Mafa Kencana builds long-term partnerships based on trust, reliability, and mutual growth.

ABOUT US

At Cakrawala Mafa Kencana, we are proud to be your partner in export trade. Our team is highly experienced and passionate about helping our clients to meet their international business goals. We are committed to providing our clients with the highest level of customer service and the most competitive prices.

Cakramafa was Created as the result of a contemplation Process about many imported products entering Indonesia, especially fruits and agricultural products. even though we have many opportunities to sell local Indonesian products to the world.

In early 2021, when the Covid pandemic was still unclear when it would end, our founder planted durian and avocado in the Jasinga District area, Bogor Regency, West. Java (Indonesia) which was named Mangangallo Farm As the first step to participate in producing local Indonesian fruit. Simultaneously with the planting process, our founder also established the Manggallo Farm Youtube channel as a forum for learning from senior gardeners as well as a forum for educating. novice farmers

A long with the development of the Manggallo Farm Youtube channel, including quite a lot of viewers from abroad, we started to receive requests for several types of fruit from Indonesia. it was our first step to start selling Indonesian products abroad

Cakramafa is a company committed to supplying thee. need of many variance products such as coffee, coconut products and their derivatives, and frozen fruits. in local trade and also export

And now here we are, Cakramafa, who will continue to bring the best local Indonesian fruit and other product to the world

- Cakramafa's vision is to become the leading distribution network, local and global, for the best products from Indonesia, especially those sourced from Indonesia's natural resources
- Always be the best in everything we do and always uphold high business conduct/ethics. Build a trusted global organization, that only sell the best products, with reasonable price and excellent services

Our goal is to develop long-term relationships with our clients and to offer them the best possible experience when it comes to export trade. We are always available to answer any questions or concerns that our clients may have.

OUR GOAL

CAKRAWALA MAFA KENCANA
