

COMPANY PROFILE

SHALFEZT FURNITURE

by Shalfezt Group

Supplying Your Needs

From Indonesia to

The World

ABOUT US

Shalfezt Furniture is a project of Shalfezt Group which is one of the best furniture supplier in Indonesia. Shalfezt Group was developed to fulfill the world needs. We also cooperate and partner with many high-quality furniture manufacturers, and our partners are also strict and pay attention to the environment and nature in terms of production.

Shalfezt Group has fostered strong, respectful relationships with diverse communities, empowering us to establish a distinctive connection between Indonesia and the global market.

Driven by an unwavering passion for collaborative excellence, we prioritize the development and production of top-tier products, making it the cornerstone of our business.

Key Feature

Integrity

Integrity is our guiding principle. We prioritize strong ethical values, honesty, and trust in all we do. Consistent integrity is essential to our business.

Commitment

Our commitment is unwavering. We promise to provide the best to our customers for as long as possible.

Innovation

Quality for us means more than surpassing standards. It encompasses our reputation for consistently exceeding customer expectations through exceptional experiences.

Quality

Innovation is about creating, developing, and implementing new offerings to enhance efficiency, effectiveness, and ultimately satisfy customers, gaining a competitive edge.
