

COMPANY PROFILE

CV JEDOK

Established in the year 1996, we, CV. JEDOK STONEWORK, is one of the best and leading company in Indonesia for natural stones.

Our company engaged in manufacturing, exporting and whole selling a wide range of Unique Stones Products, Teak Wood Cladding, and Handicraft, certified with SVLK -V Legal.

The main idea is to decrease the labor cost especially in USA and Europe with the panel system.

So all of our product are very quick and very easy to install.

Our company philosophy is to support Go Green Environment and get The Utmost of Added Value for all the recycled material.
