

PT Export Tani Nusantara

Catalogue & Company Profile

About Us

ExportTani: Trusted Supplier of Premium Indonesian Spices

We are a leading spice supplier from Indonesia, dedicated to manufacturing high-quality spice derivative products. With a global customer base, our utmost priority is to meet and exceed customer satisfaction and expectations. Through meticulous sourcing and manufacturing processes, we deliver products that consistently meet the highest standards, ensuring our customers' trust in our brand.

Quality Commitment

We are dedicated to delivering products and services of the highest quality, consistently exceeding customer expectations through our unwavering commitment to excellence.

Integrity and Innovation

We conduct our business with utmost integrity, fostering a culture of trust and ethical practices, while embracing innovation to drive continuous improvement and stay ahead in the industry.

Our Vision

Export Tani is the **leading supplier of spices** from Indonesia. We are a company engaged in providing various spices products with **high-quality** materials. Always consistent in producing spices with good quality and competitive prices.

Our Mission

Driving Export Cooperation

We aim to facilitate the export of Indonesia's flagship products to global markets, while building robust business networks with trading partners.

Enhancing Synergy with Local Resources

We strive to foster strong collaboration with local resources to create world-class Indonesian products.

Developing Innovation in Production, Packaging, and Distribution

We are committed to developing innovations in production, packaging, and distribution processes to enhance efficiency, quality, and value-added of our products.

Core Values

Quality

Quality is exhibited in many ways by selling and supporting products and services that delight customers, establishing a work environment, and delivering financial results that meet investor expectations.

Integrity

Integrity means telling the truth, keeping our word, and treating others with fairness and respect. Integrity is one of our most cherished assets. It must not be compromised.

Innovation

Innovation means inventing, designing, and developing products and services that have high appeal in the marketplace and strengthen customer preference for the Universal Coco Indonesia project.

Commitment

Commitment is important where we will continue to provide the best to our customers and investors all the time. Our opportunity to serve should be viewed as a privilege that is not to be taken for granted.
