

# KALIKA FURNITURE

BY PT INFINITY GLOBAL EXPORT

## ABOUT US

Kalika Furniture by PT Infinity Global Export established in 2021 as one of Indonesia's local wood furniture company. We use selected material such as teak wood, flare wood, and trembesi wood. Originated in Yogyakarta, Indonesia, Kalika Furniture provides various products supported by local craftsmanship to meet the export quality.

## VISION AND MISSION

Cooperating and empowering local craftsmen by developing furniture products with local materials that are able to meet export quality and expand the marketing reach of local furniture products to foreign countries

# OUR BRAND

## HISTORY

As we live surrounded by nature diversity, we would share the love from earth by bringing our products into your home.

Since 2019, we had designed several cafes, clothing store, guest house, and offices with our products.

And in 2022, Kalika Furniture developed for bigger scope of material by taking solid wood into the designs. In line with that, we upgraded our quality as well as they met the requirement for export. Therefore, we're welcome both local and international buyer.

# OUR BRAND

# PRINCIPLES

Nature will always be our biggest support that we dear of. We take the main sources from a homogenic woods, old enough, and routine replanting. As a protective effort to our motherland, we also avoid using the forbidden and rare kind of woods.

It applies to our farmers and workers as well. We look after each farmers and workers well-being and health.
