# About Us

Began by dealing with coconut oil refinery industry, our company have expanded in many foodstuffs product specializing in oil, fats, and other coconut derivatives. Led by experienced professionals in international business trading and manufacturing across Indonesia, in the global market.

Our humble journey began in 2020, as a trading company for coconut products locally. Despite its new existence, Alara Global led by experienced professionals has become a trusted company in supplying coconut-based products by cooperating with the local manufacturers in reaching out to the global market where its early success brought the company to grow exponentially ever since.

# PT Alara Global Export

Dealing mainly in the vegetable oil and fats, as well as other product that covers Coconut derivatives, the company has been supplying Indonesian specialties to many countries mainly located in Asia, Oceania, Middle East, and the European market.

As per the first quarter in 2021, the company has been succeeded in establishing a partnership with an affiliate partner in Rotterdam, The Netherlands. The company wishes to keep on growing its reach as well as maintaining good relations with both of our new and existing clients.

## Our Vision

To become a world-class company of foodstuff products to create a positive impact of Indonesian export that involves every aspect of society including farmers, suppliers, manufacturers, forwarders, to provide the best in both local and global market

## Our Mission

Being a major contributor to the Indonesian Export industry that is expected to grow, improve, and develop the Economic Welfare of Indonesia as a developing country in the global market through managing both upstream and downstream business flow
