

Company Profile

About haldin

PT Haldin Pacific Semesta has been established for 30 years. In the following years, haldin learned and adopted the techniques and technology needed to value add and transform the company. With the right know-how, it built processing facilities and assembled a competent research and development team, and eventually relocated the whole operations to Indonesia.

Today, haldin's end to end capability delivers new and innovative products, managing the whole value chain from the origin, converting the raw materials all the way into products that are found on the labels of consumers brands.

Servicing a diverse industries, haldin's portfolio consist of natural building blocks, all in one products and products and solution for the food service industry.

About haldinX

haldinX is a subsidiary of Haldin, crafting innovative consumer products from Indonesia for the global market. We pride ourselves on delivering 100% natural products, validated by national and international certifications.

Our commitment to excellence is seen through our high-standard processing technology, ensuring sustainable harvesting practices every step of the way. Moreover, we empower local communities and farmers, making a positive impact while delivering top-notch quality.

haldinX, a partner that embodies nature, quality, and community empowerment in every collaboration.

The background of the image is a dense, repeating pattern of cashew nuts. The nuts are light-colored, possibly off-white or pale yellow, and are set against a semi-transparent green overlay that covers the entire image. The nuts are scattered and oriented in various directions, creating a textured, organic feel.

Our Product

Cashew Nuts

Our cashew nuts are packed with energy, antioxidants, minerals and vitamins essential for your health. Improve heart health, increase bone density, help to lose weight, good for eye health, increase body metabolism, nutrition for pregnant women.

Variant : Original, Salted, Caramel, Espresso

Green Coffee Latte

Our cashew nuts are packed with energy, antioxidants, minerals and vitamins essential for your health. Improve heart health, increase bone density, help to lose weight, good for eye health, increase body metabolism, nutrition for pregnant women.

Variant : Cashew Milk, Coconut Milk, Dairy Milk

Organic Chewing Gum

It is made from natural sapodilla tree sap without artificial sweeteners so it is safe for daily consumption. It has the same chewy texture of chewing gum yet is eco-friendly and all-natural.

Variant : Original, Mango, Coffee

Organic Coconut Water Powder

Organic coconut water powder is prepared from fresh young coconuts and freeze-dried into an electrolyte-rich, water-soluble powder. Coconut water is a great all-natural hydration option when simply mixed in water (much like a sports drink powder) and provides exceptional ease of use and convenience when looking for optimum hydration. It's a cost effective, easy and convenient solution to enjoy coconut water at any time of the day.

Coconut Aminos

Coconut Aminos is a soy sauce substitute made from coconut, so it is low in calories. Coconut aminos is a dark brown sauce made by fermenting coconut palm sap with sea salt. It is suitable for those on diet and allergic to soy. People can use it for various dishes or as a dip.
