

COMPANY PROFILE

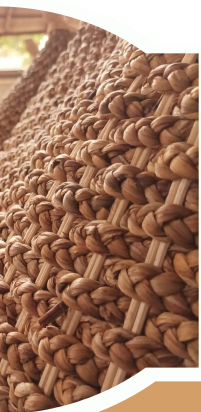

KARYA RATTAN

Our History

Welcome to our company, a manufacturer of high-quality furniture specializing in rattan. With years of experience in this industry, we take pride in presenting an elegant, functional, and durable collection of rattan furniture.

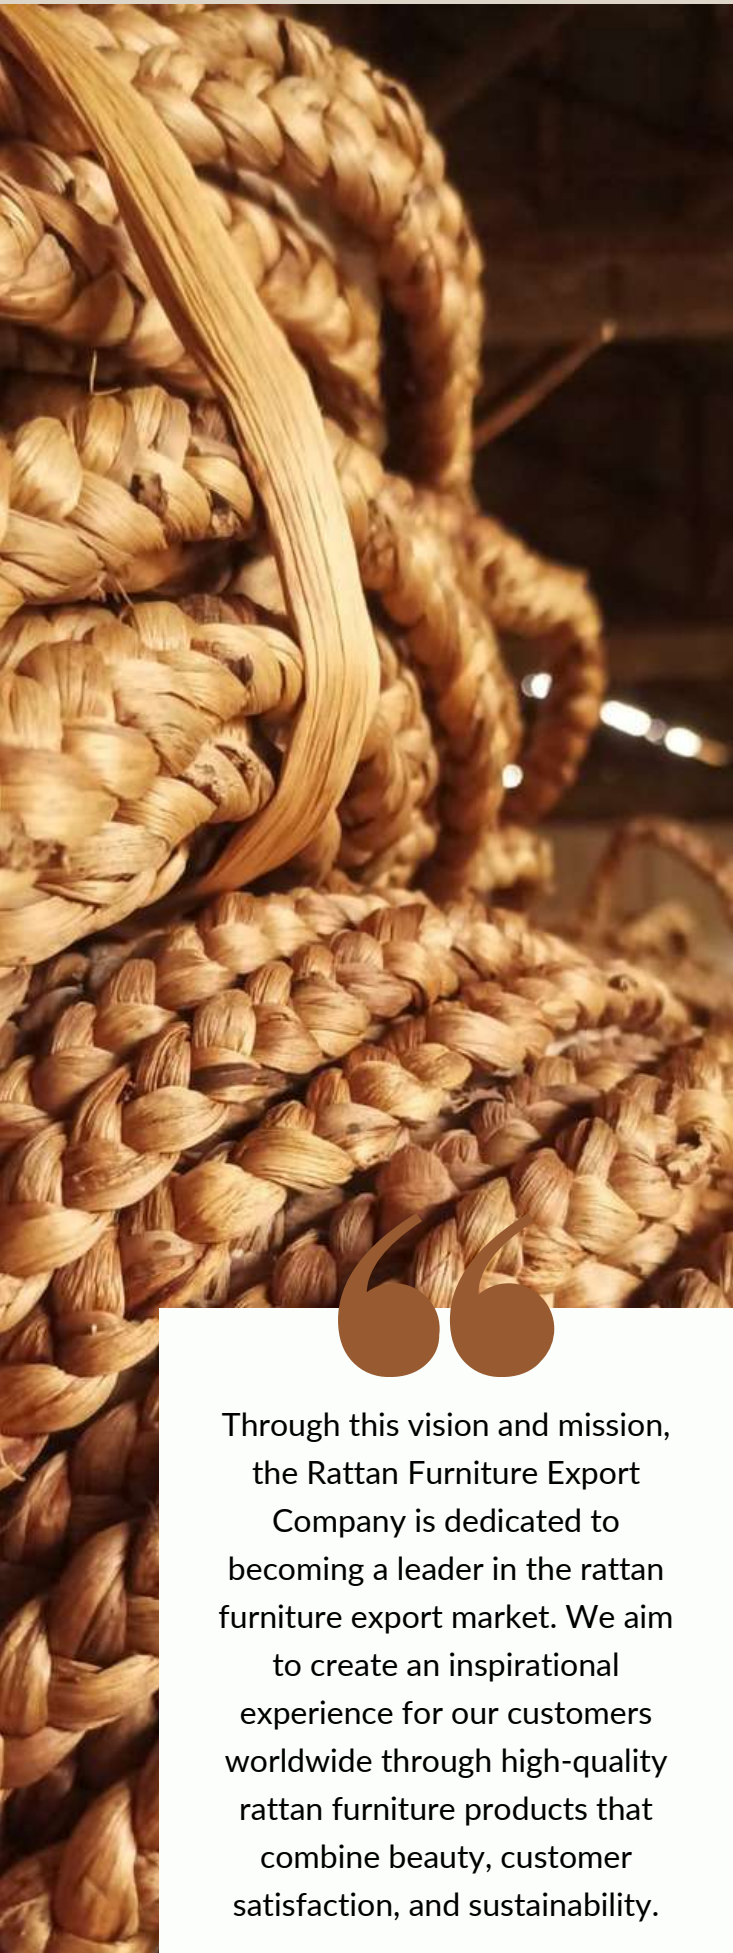

We are a team of talented and dedicated craftsmen who prioritize the natural beauty of rattan in every product we create. We combine modern design with traditional touches to create unique and stunning rattan furniture pieces

About Us

Karya Rattan is a leading rattan furniture company founded in 1995. We are committed to delivering high-quality furniture that combines the natural beauty of rattan with modern designs. Our vision is to become an industry leader in rattan furniture and provide the highest satisfaction to our customers. Upholding the values of quality, innovation, and sustainability, we strive to produce superior products that meet the expectations of our customers.

Our Vision

To become a leading exporter of rattan furniture, providing an inspirational experience through unique designs, superior quality, and guaranteed customer satisfaction in the global market.

Our Mission

1. Producing high-quality rattan furniture for the global market
2. Offering unique and inspirational designs
3. Ensuring customer satisfaction
4. Building strategic partnerships with customers and business partners
5. Pioneering sustainability and business ethics

Through this vision and mission, the Rattan Furniture Export Company is dedicated to becoming a leader in the rattan furniture export market. We aim to create an inspirational experience for our customers worldwide through high-quality rattan furniture products that combine beauty, customer satisfaction, and sustainability.

Our Value

1. HIGH QUALITY:

We are committed to providing customers with high-quality rattan furniture.

2. CREATIVE DESIGN:

Our team of designers stays updated with the latest trends, creating unique, aesthetic, and ergonomic rattan furniture.

3. AFFORDABILITY:

We value our customers money and are dedicated to offering high-quality furniture at affordable prices.

4. SUSTAINABILITY:

We are dedicated to sourcing rattan raw materials responsibly.

5. CUSTOMER SERVICE:

Customer satisfaction is our top priority.

Our Product

Karya Rattan offers a wide range of elegant and functional rattan furniture to complement living rooms, dining areas, bedrooms, and outdoor spaces. We carefully select premium-quality rattan and employ meticulous production processes to create durable and comfortable furniture. Our product line includes sofas, chairs, tables, cabinets, beds, shelves, and other rattan accessories. Additionally, we provide customization services to cater to the specific needs and preferences of our customers.
