of PIM

**MR. SINARTONO T.**

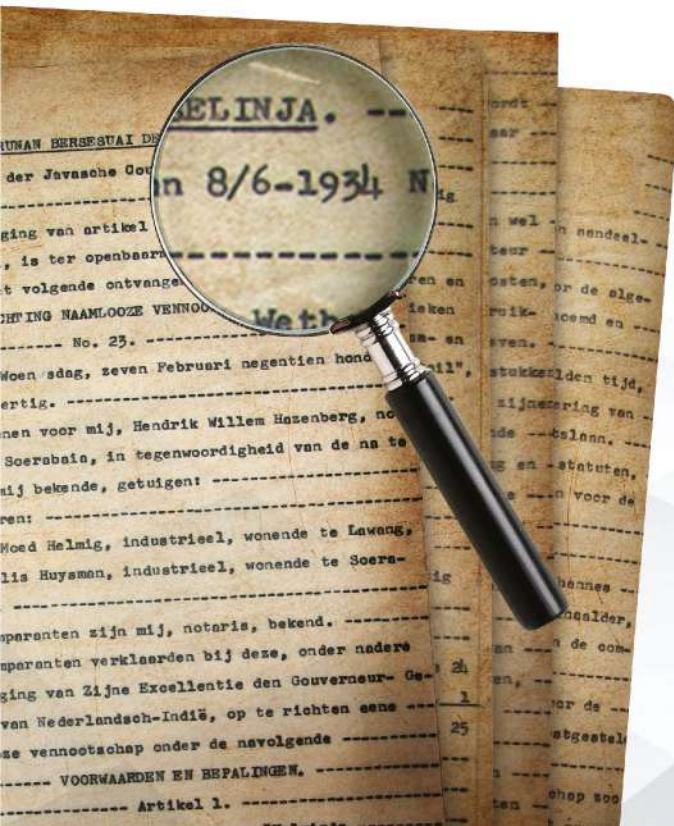

Second Generation  
of PIM

**MR. G. BOSS**

First Pharmacist

# OUR HISTORY

## 1934

In 1934, Helmig's Chemische Fabrieken N.V. was founded by The Germans.

## 1948

- The Pharmaceutical Company was taken over by Mr. Tong Yi Wo.
- Mr. Boss, The Pharmacist of Helmig's Chemische Fabrieken N.V. stayed in the Company.
- The Company was managed by Mr. Sinartono.

## 1958

The name of the Company was kept as it was until 1958, when political situation arose and foreign names can no longer be used. The Company changed its name into PT. PIM.

## 1988

The Company inherited from Mr. Sinartono Tonggoredjo to Mr. Gunawan Tongrejo.

## 1993

The market segmentation of PT. PIM was no longer 80% for The Government, but instead shifted to the free market. Supplies to The Government only took up around 20% of the Company's overall markets.

## 2011

The name of the Company was changed to PT. PIM Pharmaceuticals.

PT. PIM PHARMACEUTICALS

## ALKOHOL 70%

**Ingredients:**

Aethanolum 70%

**Indications:**

Antiseptic Extern.

**Packaging:**

Bottle @100 ml.  
 Bottle @300 ml.  
 Bottle @1000.

## RIVANOL 0.1 %

**Ingredients:**

Aethacidini lactas 0.1%

**Indications:**

Antiseptic extern, to wash a hurt and reducing inflammation on hurt.

**Packaging:**

Bottle @100 ml.  
 Bottle @300 ml.

# Powders

## PUYER PIM

**Ingredients:**

Paracetamol 350 mg  
 Acetylsalicylic acid 300 mg  
 Caffeine 50 mg

**Indications:**

Relieve toothache and headache.

**Packaging:**

1 box @100 sachets.

## SALICYL TALK 2%

**Ingredients:**

Cidum Salicylicum 2%

**Indications:**

Reducing itchiness cause of prickly heat.

**Packaging:**

Pot plastic @60 grams.

 NON-ORAL MEDICATION

# Tablets

## CALCIUM LACTATE 500 mg

**Ingredients:**  
Calcium Lactate 500 mg

**Indications:**  
Supplements to help meet calcium needs.

**Packaging:**  
Bottle @80 caplets.  
Box @10 strips x 10 caplets.

## SODIUM BICARBONATE

**Ingredients:**  
Sodium Bicarbonate 500 mg

**Indications:**  
To treat metabolic acidosis and urinary alkalization.

**Packaging:**  
Bottle @100 caplets.

## CETIRIZINE HCl & CETIRIPIM

**Ingredients:**  
Cetirizine Hydrochloride 10 mg

**Indications:**  
To treat perennial rhinitis, allergic rhinitis, chronic idiopathic urticaria.

**Packaging:**  
Box @10 strips x 10 tablets.

## ALLOPURINOL & ALLOPIM

**Ingredients:**  
Allopurinol 100 mg

**Indications:**  
Primary hyperuricemia; gout. Secondary hyperuricemia: prevent deposition of uric acid and calcium oxalate. Excessive production of uric acid, among others, in malignancy, polycythemia vera, cytostatic therapy.
