Value Principle, Vision and Mission

BLESSINGS *THROUGH CULTIVATION THAT EMBRACES WISDOM AND PRUDENCE*

Fresh, straight from the farmers. Yes, our farmers cultivate Coffee, Cocoa, and Coconuts wisely, using organic and natural systems. Combined with agricultural technology that ensures the sustainability of the ecosystem, the quality of our products is always maintained.

Value Principle, Vision and Mission

GENUINE SMILE FROM THE HEART ACCOMPANIED BY KINDNESS AND A SENSE OF RESPONSIBILITY

There is a spirit that relies on the business cycle of COCONESIA BESTERA. We always prioritize the well-being and smiles of our stakeholders and shareholders. This, of course, will have a positive impact on productivity and quality aspects. We take responsibility for the principles we firmly uphold.

Value Principle, Vision and Mission

***PROSPEROUS WITH
BENEFICIAL VALUES FOR
LONG-TERM SUSTAINABILITY***

Wisdom, Prudence, Goodness, Responsibility – these are the principles we uphold for the well-being of all stakeholders and shareholders with high-value benefits. Certainly, for the long-term sustainability of the business.

OUR PRODUCTS

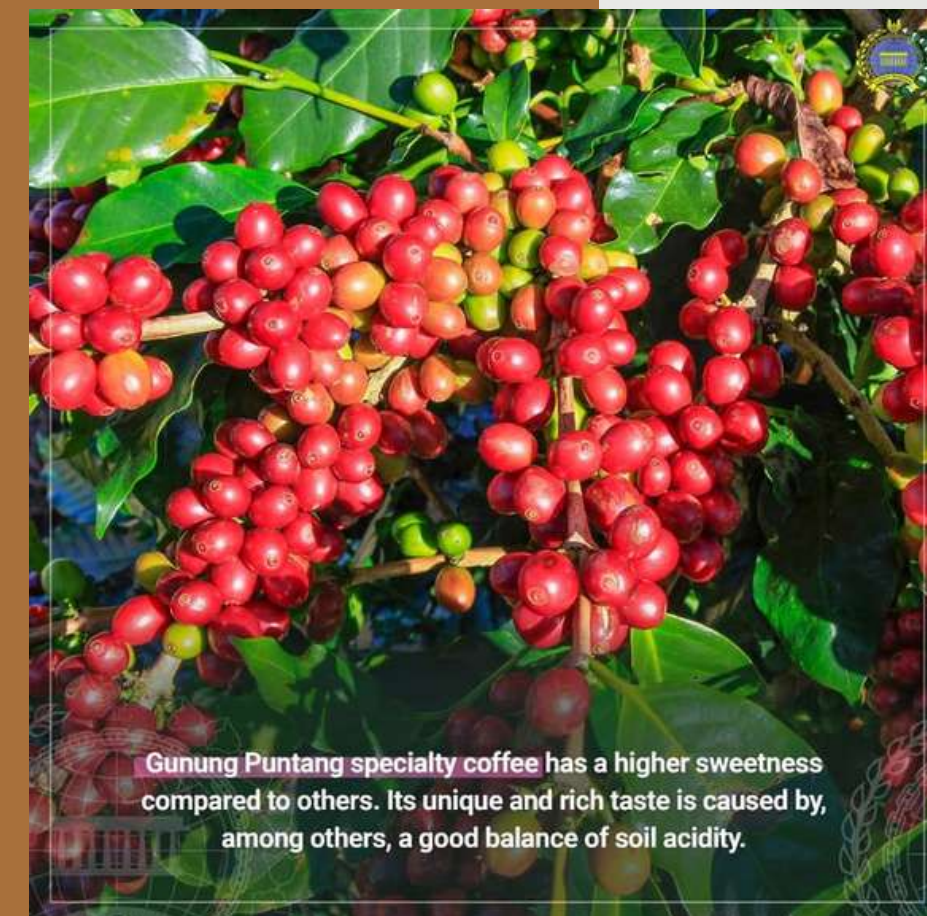

Best "Co"modity from Indonesia

1. Green Coffee Bean

Java Coffee

The coffee we offer is **single origin** from **West Java**, including **Mount Puntang Coffee**. Our coffee secured the **First Position in Taste Category** and Received Recognition from the **Specialty Coffee Association of America (SCAA) Expo 2016 in Atlanta, United States**.

Puntang coffee has gained global recognition, with even President Jokowi being spotted enjoying it. He mentioned on his Instagram account that **Mount Puntang coffee is the best in the world**. Mount Puntang itself is formed from dark gray lava rocks, with a porphyritic and smooth texture that makes its soil composition ideal for growing coffee trees. Its characteristics are sweet and **slightly acidic**. Not only that, Mount Puntang Coffee has the taste of local fruits, resembling guava, banana, and jackfruit. The cultivated coffee types on Mount Puntang are the **best Arabica varieties**, including **Red Bourbon** and **Yellow Catura**.
