

WHO WE ARE?

Established in 2020 under the name Magary and now registered as CV Magary Asia from 2022. We are focused on bags by using natural fibers (water hyacinth, pandanus, seagrass, etc), bamboo, and rattan as an export commodity.

WHAT WE DO?

Magary Bags is a manufacturer of natural material bags. We would try to expand our market by exporting our products all over the world. Our current markets are America, Caribia, Canada, local Indonesia and expatriates who live in Indonesia, most of them are from Europe, Russia and Australia.

OUR CREDO

We prioritize quality at a competitive and best price. All of our products are handmade. We are supported by the best craftsmen and also skillful staff. So we can get good quality products.

We have a lot of shapes and models of bags. Also we imported good quality hardware from China. We always do quality control for each product. There are many craftsmen with the same material, but not all of the craftsmen give best results. We give the best results, best price and beautiful collection to you. We are oriented to the customer's satisfaction.
