

KELMANTRA

Kelapa Manis Nusantara

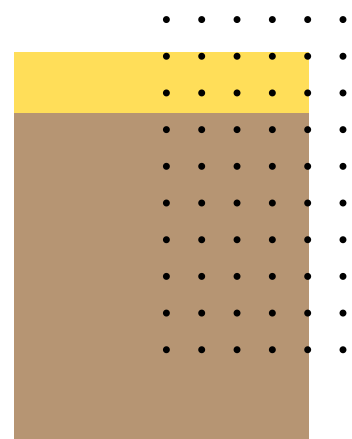

COMPANY PROFILE

Kelapa Manis Nusantara

ABOUT US

The Kelmantra brand under PT Panca Putera Prasetiya exports and supplies coconut and Arenga palm sugar products. We founded Kelmantra to elevate Indonesian farmers and agricultural products while educating the community about healthy living. We are committed to consistently maintaining the best quality coconut and Arenga palm sugar for our consumers.

KELMANTRA

Kelapa Manis Nusantara

Vision

Prosperity of coconut and arenga palm farmers in Indonesia.

Raising people's awareness of the health benefits of coconut sugar and arenga palm sugar.

Mission

Educating the public to switch to coconut sugar and arenga palm sugar which are better for health.

Produce a variety of derivative products from coconut sugar and arenga palm sugar that can be directly consumed by the public.

Consistently produce organic products for public health.

OUR PRODUCTS

COCONUT SUGAR

KELMANTRA
Kelapa Manis Nusantara

CRYSTAL COCONUT SUGAR

Made from Coconut tree sap, Crystal Coconut Sugar dissolves more easily, has a longer shelf life, and a low glycemic index. Can be used as food flavoring and sweetener.

COCONUT SUGAR BLOCK

Coconut Sugar Block is made from cooked coconut sap. Coconut sugar block can be used as cooking raw material.

LIQUID COCONUT SUGAR

Liquid Coconut Sugar is a processed product from coconut tree sap which is cooked at high temperatures to obtain high quality. Liquid coconut sugar can be used to sweeten drinks or food.

OUR PRODUCTS

ARENGA PALM SUGAR

KELMANTRA
Kelapa Manis Nusantara

CRYSTAL ARENGA PALM SUGAR

Made from Arenga tree sap that is manually processed by our farmers. It has brown color with a hint of smoky aroma. Which is perfect for cooking and sweeten drinks.

ARENGA PALM SUGAR BLOCK

Arenga Palm Sugar Block is made from cooked arenga palm sap. Arenga palm sugar block can be used as cooking raw material.

LIQUID ARENGA PALM SUGAR

Liquid Arenga Palm Sugar is a processed product from arenga palm sap. Its light brown color is renowned for its caramel like flavor. It has more natural mineral and nutrients, making it a healthier alternative for sweetener.
