# SHANIQUA

exclusive natural & exotic of bamboo

CV. Shaniqua Marigold Bamboo is a **manufacturer** and exporter of fine **Bamboo Furniture**, both indoor and outdoor furniture also **contractor** for houses or villa made from bamboo since **1998**. Our factory is located in Rangkas Bitung, Banten as the area which have resources of plenty of bamboo material . We have five building to support our production with 150 workers which have experience crafted in bamboo furniture.

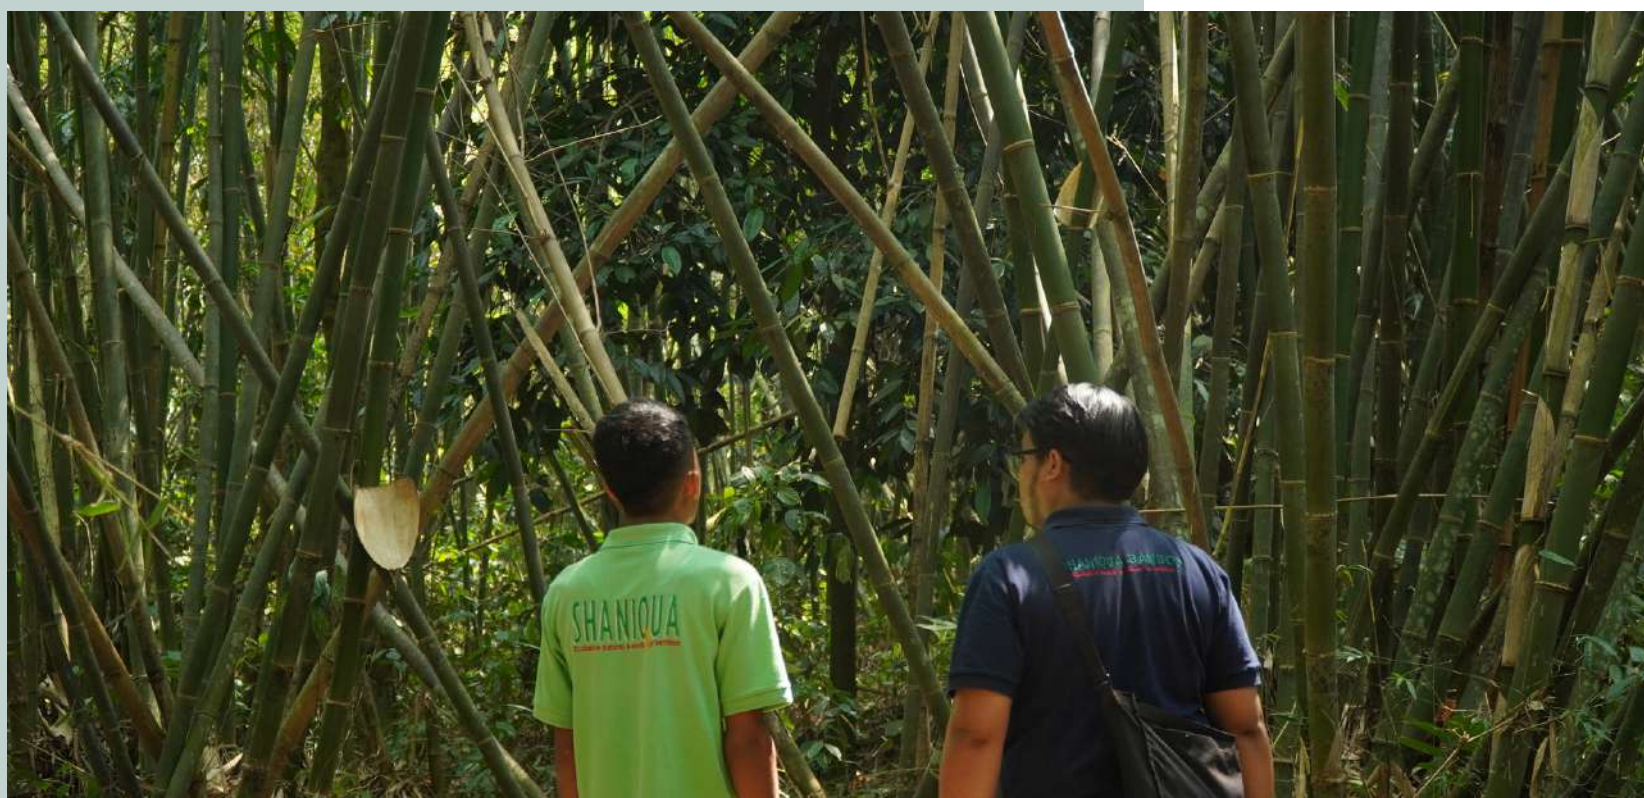

## Our First Container in 1999

Over 26 years, the focus has been crafting classic bamboo furniture and home decor, expanding into bamboo construction in 2010. Notable for sustainable practices, Shaniqua Bamboo nurtures bamboo gardens, collaborates with farmers, and imparts knowledge through training, aiming to preserve traditional methods for future generations.

Bamboo Forest in Rangkasbitung, Indonesia

Here are photos that we took ourselves in August 2023 to check the availability of our raw materials in **Rangkasbitung**, and the results show that the raw material supply is still **very abundant**. What sets Rangkasbitung apart is not only the quality of the bamboo but also the expertise of its craftsmen. **Local artisans** have honed their skills through **generations**, passing down traditional techniques that elevate bamboo **craftsmanship to an** art form.

Bamboo matures in **4-6 years**, offering high **sustainability** for short rotations, **while trees** take decades or even centuries to grow, causing supply-demand imbalances. Bamboo is known for its strength and durability, being **2-3 times harder** to break than many hardwoods, like oak. It's cost-effective compared to wood and versatile for various uses, from food to construction, while also being environmentally friendly.

**ECO-FRIENDLY & SUSTAINABLE**
