COMPANY PROFILE

Pasopati Street No.7, Leles, Garut Regency,
West Java 44152, Indonesia

YOUR ONE STOP SOLUTION TO INDONESIAN PRODUCT

Supplying a variety of leading commodities such as handicrafts and furniture made 100% purely from akarwangi (vetiver) and bamboo without any harmful chemicals. We also provide Indonesian specialty agriculture and plantation products such as fresh coconut, copra, coconut derivative products, clove, and many other products as requested or inquired. All of our products have been thoroughly processed and graded to achieve quality that aligns with international standards. Moreover, our company is gradually making improvements to maximize the effectiveness of our production and the quality of our goods in order to build a long-lasting relationship with our customers.

ABOUT COMPANY

Here at **Horizons Goods Indonesia** , we do not only strive to get the job done as flawless and efficient as possible, but we gladly work hard to build good, long-term relationships with our customers and business partners. Therefore, customer satisfaction and good quality products is vital to us. Additionally, we prioritize procurement of high-quality goods and services from local suppliers who meet the standards requirement in order to support local businesses as well as developing their skills to meet these standards.

VISION & MISSION

Vision

To become the best multi-goods trade company that excels in providing high-quality products from Indonesia both in national and international standards.

Mission

- To become a pioneer in raising local products awareness and sales that could compete in the international market
- Constant innovation in procuring, processing, and improving quality to thrive in both national and international market
- To become one of the largest exporting companies as a local hero in Indonesia.
- To create sustainable long-term benefits in the relationship between the company and all business partners.
- Providing the best quality in customer and partnership service to business partners.

WHY US?

INTEGRITY

Integrity is the quality of being honest, having strong moral principles, and adhering to a code of ethics. It involves consistency in one's actions, values, methods, measures, principles, expectations, and outcomes. It is one of our most valued asset.

QUALITY

Quality is about meeting or exceeding the expectations of users or customers. It encompasses various attributes such as reliability, performance, durability, aesthetics, and value. We strive to always produce the best quality products.

COMMITMENT

Commitment involves a deep dedication to understanding and fulfilling the customer's needs, maintaining transparency, and building long-lasting relationships based on trust and reliability. This is our commitment asset that we dearly valued.

INNOVATION

Innovation refers to the introduction of new methods, ideas, processes, or technologies that improve the efficiency, effectiveness, and overall quality of manufacturing and production activities of Horizons Goods Indonesia Products.
