Diamond DA62

Light aircraft renowned for its elegant design and exceptional fuel efficiency

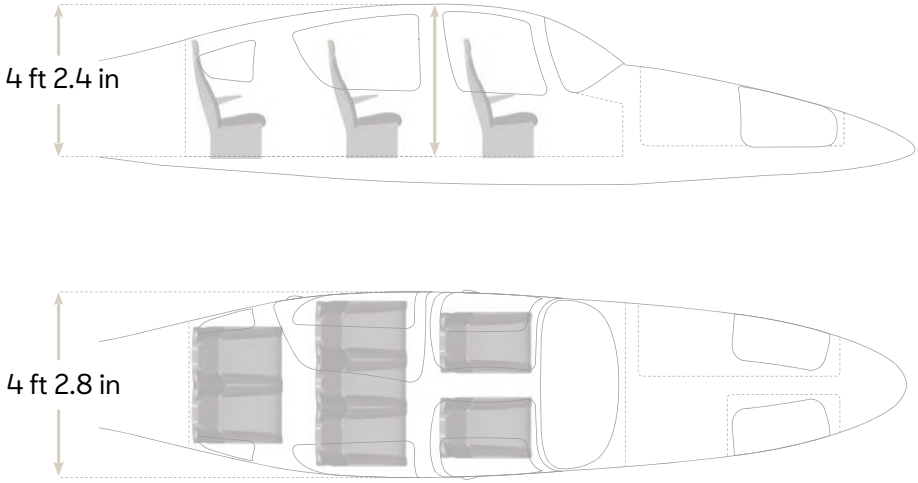

Travel faster with our Belfast based fleet

Diamond DA62

A light aircraft has never given more performance, efficiency and luxury. The Diamond DA62 is the preferred choice in its class for the movement of passengers and equipment, flying faster and farther than its competitors. Quoted as being a “plane that’s made right” the DA62 is the most advanced multi engine piston Diamond to date with impressive safety and technological features. The roomy cabin provides easy entry through gull-wing doors and a wide seating arrangement offers excellent surrounding visibility.

The ultimate flying machine

- Spacious cabin
- Large cabin windows
- Climate control
- Advanced noise reduction technology

- MAX RANGE: 2,385km* / 1,288nm*
