Executive Summary

It is with great pleasure and pride that I present to you the Executive summary for the Annual Report of Karnataka Kayastha Samaj (KKS) for the financial year 2023-24. Over the past years, we have witnessed remarkable achievements, transformative initiatives, and a steadfast commitment to our mission of making KKS the **BEST SOCIETY** amongst similar societies in India. As we reflect on our journey, we are humbled by the collective efforts that have driven KKS's growth and its impact on the community and society.

This year has been a testament to our society's dedication, resilience, and unwavering commitment to making a meaningful impact in the lives of women and children from weaker sections of society and helping the needy. Here are the key highlights of our journey:

Key Highlights:

1. **Community Engagement:** KKS's success is built upon the engagement and dedication of our members. In FY 2023-24, we expanded our reach by connecting with a larger audience through social media platforms, digital and online activities, and community events. This has helped us create a more inclusive and vibrant idea exchange and collaboration platform. Our efforts to foster an inclusive platform for knowledge sharing, collaboration, and dialogue have led to increased participation and stronger community bonds.

2. **Impactful Projects:** We embarked on several charitable projects that have positively impacted our community and beyond. Notable projects include

- Professional course Tally Fee sponsorship for 20 girls/women from weaker sections of society through an NGO, VIDYA - Vidya Integrated Development for Youth and Adults (an NGO empowering and transforming underprivileged children) (Rs. 25K)
- Distribution of Nutrition Kits and medical help to cancer patients through the Indian Cancer Society (ICS) (Rs. 45k)
- Samatvam: Science and Research for Human Welfare Trust for Diabetic patients (Rs. 15k)

These projects emphasize KKS's commitment to creating positive change in society that resonates beyond our immediate sphere.

3. **Collaborative Partnerships:** Collaboration remains at the heart of our efforts. In FY 2023-24, we formed strategic partnerships in the form of associates, with VIDYA and AIR Humanitarian Homes, Bannerghatta, Bangalore. These partnerships have amplified our reach, enabled resource-sharing, and enhanced the scope of our projects, ultimately leading to a broader societal impact.

We have put logos of these NGOs on the KKS website www.karnatakakayasthasamaj.org under the section "Associates" enabling visitors to visit them as well to understand their work being done for society.

These alliances have enriched our capabilities, expanded our resources, and amplified the scope of our initiatives, resulting in a broader and more profound influence on empowering weaker sections of society including homeless people.

4. Financial Stability: We are pleased to report that our financial position remains robust, with FDs worth Rs. 14.5 lacs. Our prudent financial management, combined with the generous support of our donors and sponsors, has allowed us to effectively allocate resources to achieve our goals and sustain our operations.

5. Member Empowerment: Our society thrives because of our members' passion and dedication. In FY 2023-24, we continued with the Member Empowerment Program, providing them with Life Membership Cards.

Looking Ahead:

No war was ever won without the enthusiastic participation of members and a willing team.

As we are into FY 2023-24, we are excited about the possibilities that society offers to us. We envision a further expansion of our impact through innovative projects, deeper community engagement, and stronger collaborations.

NGO Status: We wish to explore the possibility of getting the NGO status for KKS to reach out to companies to generate funds through their CSR budgets, to do much more for society.

We are committed to moving forward with our specific mission to make KKS the BEST SOCIETY amongst similar societies in India through our work for members and society. We are confident that, with your continued support, we will achieve these milestones.

Some of the new initiatives mentioned below, which we wanted to start last year will be implemented during the FY 2024-25:

- **KKS SALAHAKAR** by forming a team of senior members with expertise and experience to counsel interested members & families. Counseling services are crucial in providing support, guidance, and therapeutic interventions to individuals dealing with various challenges and issues.

Counseling services can cater to a wide range of issues, and the expertise of counsellors and therapists is essential in helping individuals navigate these challenges, develop coping strategies, and achieve a better quality of life. The team would attempt to provide counseling services in the following areas:

- Mental Health
- Relationship and Family Issues
- Stress and Coping
- Grief and Loss
- Addiction and Substance Abuse
- Self-esteem and Self-Identity
- Trauma and Abuse
- Career and Life Transitions
- Anger Management
- Cultural and Diversity Issues
- Health and Wellness
- Personal Growth and Development
- Crisis Intervention

- **KKS MARGDARSHAN** in Skill-building, leadership development, and mentorship. This initiative aims to nurture the talents within our society and empower members to contribute effectively to our mission and in the chosen areas.

I extend a warm welcome to all new members along with their families and look forward to their active participation and involvement in taking the KK Samaj (KKS) forward. Thank you for joining us on our journey together towards making positive change in the community and society. Together, we can build a brighter future for underprivileged people in society. Further, I appreciate your involvement, guidance, and encouragement which helped me personally as President of KKS to deliver my best and live up to your expectations in leading the KKS to do a bit for the Kayastha community and society.

I congratulate all awardees of KKS for the FY 2023-24 and look forward to their continued patronage and KKS achieving newer milestones moving forward. Lastly, I extend our heartfelt gratitude to all our stakeholders – members, partners, associates, volunteers, donors, supporters, CA, Consultants, and well-wishers – who have made our accomplishments possible. Your dedication and belief in our mission inspire us to continue to push the boundaries of what we can achieve.

Cheers,

Animesh Bisaria

These beneficiaries are from the communities, who belong to the less-privileged sections of the society, who are interested in computer training for their personal development, academic enrichment or for better job opportunities, but cannot afford to undertake more expensive computer courses offered by other training centres.

PROJECT OBJECTIVES:

Post successful completion of the course, the certificate is given to the beneficiaries (NIIT or VIDYA Certificate depending on the exam taken by the beneficiaries)

Placement assistance is provided to the job-seeking students.

As proposed during the AGM for FY 2021-22 held on 17th September 2022, KKS introduced the Life Membership card, designed with love and passion, and also in line with the theme of Kayastha Darpan – the quarterly magazine of KKS.

Needless to say, members who have been associated with KKS for years and decades deserve to be recognized for their unconditional support in shaping it into what it is today. Connecting with other members has psychological benefits like enhancing happiness, health, and motivation.

A membership card will act as a constant reminder of the benefits KKS offers, including a sense of exclusivity of tax exemption under 80G, a social networking platform for mutual benefits, and service to the society we come from.

These cards would help team EC manage your valuable database properly besides increasing your loyalty and giving you a tangible item that offers a sense of belonging to KKS. Feel proud to be a part of the KKS family and enjoy its benefits by being a proud membership card holder.

92 members have been provided with the KKS Life Members cards to date.

With support from members, KKS has been doing many charitable activities for many years. KKS strongly believes in giving back to society, which has given all of us a lot.

KKS distributed Nutrition Kits to Cancer Patients at the Victoria Hospital, Bangalore

KKS distributed Nutrition Kits to Cancer Patients at the Victoria Hospital, Bangalore, on 22nd Jan 2024, an auspicious day today. The entire world witnessed the PRAN PRATHISHTA ceremony at Ram Mandir, Ayodhya, we (Mr. Rai Sachindra Bahadur & Mr. Animesh Bisaria) met cancer patients and prayed for their speedy recovery and lives.

The event was aimed at implementing the KKS initiative of helping the needy by providing nutrition kits to cancer patients living below the poverty line (BPL) at Victoria Hospital, City Market, Bangalore through the Indian Cancer Society (ICS) from 10.30 AM to 12.30 PM on 22nd Jan 2024. Thanks to Mr. Rai Sachindra Bahadur for making all the arrangements and also for being with me throughout the event.

Through collective efforts by a few EC members of KKS, volunteers from ICS, and a few KKS members who donated towards this noble cause, we have been able to make a positive impact on the lives of those facing the dual challenges of cancer and financial hardship.

The below-mentioned transparent selection process of patients ensured that assistance reached those who needed it the most.

- Copy of Aadhaar card
- Copy of Ration Card
- Copy of diagnostic summary
- Copy of Doctor's approval

The nutrition kits included the specific dietary needs of cancer patients mainly 2 packets of Protein, a steel water bottle, and a bag that is large and strong enough for keeping reports and other important documents. Each kit costed us Rs. 3K and is for two months. A total of 10 kits were donated to 10 cancer patients in three wards today.

Our sincere thanks to our members who donated and supported this initiative financially. Their contributions have enabled us to provide essential nutritional support to those who might otherwise go without.

The success of this initiative is a testament to the strength of our KKS. We appreciate the active involvement of volunteers from ICS, including lead Counsellor, Mrs. Alpa who dedicated their time to organizing distribution events and raising awareness about the importance of proper nutrition during cancer treatment.

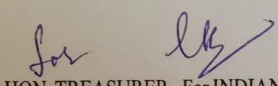

We will continue working together at KKS to support our society, and make a positive impact on the lives of those facing health challenges and financial struggles. Thank everyone for your unwavering support.

Sincere Gratitude

I am delighted to extend my heartfelt gratitude and appreciation to every member of KK Samaj (KKS) as we reflect on last year's – i.e., FY 2023-24 accomplishments in this Annual Report. Members' dedication, passion, and tireless efforts have once again demonstrated the profound impact that a committed group of individuals can have on our community and society.

Throughout the year, members' unwavering commitment to KKS EC has brought about positive change in our community and beyond. The collaborative initiatives, innovative social and charitable projects, and selfless contributions have not only enriched the lives of our fellow citizens but have also set an inspiring example for others to follow.

It is our collective efforts that have transformed KKS into a beacon of hope, fostering a sense of belonging and camaraderie among its members. Members' willingness to give their time, skills, and resources for the betterment of society is a testament to the values that KKS upholds.

Based on the feedback received from members from time to time on various events, Kayastha Darpan, AGM, and statutory compliances with the Registrar of Society (RoS) and Income Tax (IT) department, I am happy to share that the overall image of KKS has gone up significantly high over the last few years across India. KKS is now seen as a vibrant society with absolutely transparent working and process compliances.

The team EC needs to maintain the same level of energy and enthusiasm moving forward as well to ensure statutory compliances are maintained throughout the year to have the continuation of KKS Registration with RoS and 80G exemption status with the Income Tax Department.

The team also needs to organize future events by thinking differently and innovatively, considering the below-mentioned ongoing challenges we have.

- Ever-increasing commuting hassles in Bangalore both in terms of time and money.
- Presence of digital entertainment means including social media platforms and OTT for the latest movies that members can watch at leisure sitting at home.
- Reduced participation of the youngster due to their focus on other areas of interest including career goals, and openness in caste-related matters like being an Indian first rather than getting tied to any caste. Studies and work pressure are also adding to their restricted participation.
- Aging of members making them dependent on their children and lack of expertise in using apps like Uber, OLA, etc., and almost no expertise in other digital technologies
- Overall increased cost and value for time and money.

KKS has now gained visibility across and continues to get a really good response from its members and others. KKS has been interacting with prominent Kayastha groups like Akhil Bhartiya Kayastha Mahasabha, NCR, Delhi (President, Mr. R D Srivastav) National Kayastha Action Committee (NKAC), Delhi (Mr. Anuranjan Srivastav), Kayastha Pariwar, UP (Dr. Rohan Saxena, Secretary), Kayastha Vansh (President, Mr. Dinesh Nigam), Saxena Samaj, Kanpur (Mr. R C Saxena), and Dr. Shambhu Prasad, Akhil Bhartiya Kayastha Mahasabha, New Delhi to widen its reach.

As we celebrate the achievements outlined in this Annual Report, let us also acknowledge the challenges we have overcome together. The perseverance and resilience displayed by KKS members in the face of adversity remind us that even in difficult times, unity and a shared sense of purpose can guide us toward brighter horizons.

I want to personally express my deepest appreciation to each member, volunteer, and supporter, CA, consultant, well-wisher who has contributed to the success of KKS and brought it to where it stands today. Your dedication has not gone unnoticed, and your impact resonates far beyond the pages of this report.

Let us continue to uphold the spirit of collaboration, compassion, and innovation that defines KKS and all of us. Together, we can continue to make a lasting difference in the lives of those we serve and inspire positive change in our society.

Thank you once again for your remarkable contributions. I eagerly anticipate another year of progress and accomplishment as we work together to build a brighter future for ourselves, our community, and society.

Your support is crucial to our efforts.

Cheers,

Animesh Bisaria
