

POWER CUBES

The powerful, transportable floodlight system illuminates escape routes. Moreover, it can illuminate sanitary areas at nightfall. Similarly, it offers favorable working light during the setup or dismantling phase. In this way, it creates a safe environment. Guests and crew members can find their way around at all times.

Areas of application:

Mobile crane sites

Heavy-lift transport

Mobile logistics

Wind power generator construction

Temporary walkways

Road construction and access roads

Line construction

Concerts and events

Mobile parking lots
