

## Kingsway Primary School's Phase 3 Homework

Year	1	Date	27.09.19	Return by	24.10.19
------	---	------	----------	-----------	----------

### Spellings

Please practise these spellings using the look, cover, write and check strategy. Spellings will be tested on a Friday in class.

Spellings: Please see weekly sheet.

### Reading

Please read to an adult at least 3 times a week for 15 minutes and ask them to comment in your reading diary. Please make sure your book is changed when you have finished it.

Don't forget to use the local library!

### Multiplication Tables

In Year 1, the children are expected to know the 2, 5 and 10 times tables by the end of the year. Each week, the children do various games in class to practise this. From next week we will be focusing on counting in 2's. Please practise answering times tables at random. The questions are in this format if you would like to practise with them:

$12 \times 2 =$

$8 \times 5 =$

$6 \times 10 =$

$3 \times 2 =$

$11 \times 5 =$

$4 \times 10 =$

### Longer tasks

Over the course of this half term, please choose 4 activities from the grid below, to complete. When you have completed an activity, colour in the rectangle on the grid and ask your parent to sign and date when you completed it. Please add a photo to Tapestry. The 4 longer activities can be handed in by Thursday 24<sup>th</sup> October 2019.

Go for a walk in the forest and make a den that will keep you warm and dry. Take a photo and write a label or caption.

Research the 7 continents and write about the things you might like to do there. Eg Africa: Sing songs and play the African drums and meet a lion!

Go on a shape hunt around your house/garden/park. What shapes can you see? Are they 2D or 3D? Can you tell your grown up anything special about the shape?

Primary Talk- Encourage good listening skills. Play games such as Simon Says or bingo. Remember to look at the speaker and think about what they are saying. Adults ask your children about their day and get them to ask you. Then ask them a question to see if they have remembered details. Eg- At work today I had to do 10 different jobs. How many jobs did I have to do?

Go on an Autumnal walk. Take a bag and collect lots of goodies such as acorns, conkers and colourful leaves. Make a face like Giuseppe Arcimboldo. (Google his Work! Can you make an Autumnal face?)

Visit the library and find a book that you have never read before. Share it with your grown up.

### Parent Feedback

Please leave any comments as necessary.
