

Year 6 Home Learning

W/B 30th March 2020

Hello Year 6's!

Below you'll find a few activities to keep you busy at home. You might need a bit of help from someone at home to get you started with each one, but you'll soon pick it up.

If you want to tell a pupil in your class about what you've been up to, share your work on your Class Dojo page (class story).

If you want to do something else, you can have a go at any activity you like on Purple Mash, or follow one of the other websites suggested by school.

Have fun! We'll update this page with a few more activities next week.
