

Year 3 Home Learning

w/b 6th April 2020

Hello Year 3s!

We hope you are still enjoying learning ta home; we are really enjoying seeing all the activities you have done so keep them coming! Over the Easter Holidays we thought you would like a bit of Easter fun so you will find the challenges on the website and the class story section of Dojo. You might need a bit of help from someone at home to get started with each one, but you'll soon pick it up. Please let your teachers know how you got on...there will be prizes for the Easter Mystery winners!
