

Dear Merlin Class,

I had a brilliant bank holiday weekend!

Firstly, I woke up to rays of glorious sunshine shimmering through my curtain. Immediately, I felt exhilarated and I couldn't wait to see what the day would bring. I leapt out of bed and ate a splendid breakfast of bacon and eggs.

After that, I strolled in the garden and enjoyed the fresh scent of flowers floating in the air. Lying down on the grass, I could hear my neighbours giggling as they set up their VE day picnic in their own garden.

In the afternoon, my family and I made some scrumptious sandwiches, and devoured them while listening to some cheerful music. Overall, we had a fantastic day.

I'm missing you all, and hope you have had a super bank holiday too. Hope to hear from you soon!

From,
Mrs Deas 😊
