

Hello Year 1s!

We hope you've had a good 'home learning' journey for Summer Term 1. It has flown by and we have been super impressed with lots of great work that we have seen. We've read some great stories, seen some super maths and loved your Geography and DT projects. Whatever you've done it has just been lovely to hear and see what you have all been up to.

For next week it is the May half term so you would have had a week's break from learning even if we were at school. Instead of giving you lots of learning tasks to complete we are giving you some suggestions of some fun activities you could do over the holidays to keep you busy. Do as much or as little as you like, it is your holiday!

If you do complete any of these please do keep sending pictures and messages on Dojo or put them on Tapestry as we would still like to see them but do not feel you are under any obligation to do so.

Hopefully the weather will be nice so you can enjoy lots of time in the garden with your family.
