

Year 2 Home learning

W/b 18th May 2020

Below you'll find a few activities to keep you busy at home. You might need a bit of help from someone at home to get started with each one.

Please feel free to upload any work or photos of activities that you have done at home to your portfolio on Class Dojo.

Every day, you may like to log on to **Numbots** and **Purple Mash** and complete any games. Already in class we have used 2Sequence to create a composition and create a leaflet.

Please keep an eye on the Class story page of Class Dojo, as your teacher may post messages on here to keep you updated.
