Year 2 Home learning

W/b 4 May 2020

Below you'll find a few activities to keep you busy at home. You might need a bit of help from someone at home to get started with each one.

Please feel free to upload any work or photos of activities that you have done at home to your portfolio on Class Dojo.

Every day, you may like to log on to **Numbots** and **Purple Mash** and complete any games. Already in class we have used 2Sequence to create a composition and create a leaflet.

Please keep an eye on the Class story page of Class Dojo, as your teacher may post messages on here to keep you updated.

Mrs Macdonald

Maths	Please use Numbots and Purple Mash apps every day.
	See daily fluency tasks posted to your class story.
	Practise counting in 2's, 3's, 5's and 10's and ask an adult to test you on
	random times table questions such as 3x5=
	See upload of <mark>Can do maths learning pack</mark> for this week.
Writing	Please write a riddle about something from the ocean or on the beach.
	The idea is to give the reader clues about the object but not actually name it so
	that the reader can guess what it is.
	Use this format to write your riddle: Here is my example.
	You will find me patrolling the deep, blue waves,
	I am a sharp- toothed fish,
	Often, you can spot my triangular fin racing towards the shore,
	Watch out, as I'm a vicious, flesh- eater,
	Sametimes, I even have a hammer shaped head!
	What am I?
	Fold your drawing
	underneath the riddle, so that the reader can't see it.
	Draw a picture of the ocean related item but fold it under.
	I have highlighted in red, the types of openers to use to vary them.
	 ✓ Variation of sentence openers.
	Expanded noun phrases
	✓ You could use one example of a simile
	 Spelling- check you have used the correct phonics patterns, check words in the dictionary.

	✓ Word choice- Could you use an online thesaurus to change word choices?
	 Remember to edit how we do in our writing books.
	\checkmark When you are happy that you have taken your time to make your riddle the
	best you can, publish it! You might like to use the uploaded writing paper
	from last week. You could type it up or use pen to write with your BEST
	handwriting. Make sure the picture of the object/creature is folded under the
	writing so as not to allow the reader to see it until the end, when they are
	checking that they are right. I can't wait to read your riddles!
Reading	Use Purple Mash and login.
	Choose a book from Serial Mash.
	See attached reading comprehension, <i>Grace Darling</i> uploaded to the Class story.
	Related to history.
Spelling	Common exception word practise (these are all of the spellings from Autumn
	term). Read, cover, write, check. Practise writing sentences that include the
	common exception words.
	Homophones- there, they're, their See PowerPoint and activity.
Science	Log on to Purple Mash and go to science- animals, plants, seasons, human
	body. There are lots of sections to explore.
	Life cycle focus- Use the PowerPoint about the sea turtle. Then choose an ocean
	creature of your choice, research about its life cycle and make a poster about
	it.
Art	Create a collage of a sailing ship on a stormy sea.
	Look at the work of the artist J. M. W. Turner to help you.
	You might like to use sketching, paint, watercolours, cut up paper tiles, tissue
	paper. It is your choice how to present this.
PE	CBBC, Go Noodle, Cosmic Kids Yoga and Joe Wicks at 9am are great sites to
	use.
	You could design your own work out- ten of everything- 10 star jumps, sit
	ups, jogging on the spot, balances etc. Write a workout using instructions and
	video and upload your workout to Class Dojo.
	Create your own game. Write instructions and play as a family.
History	Research on-line Who was Grace Darling? Why is she remembered today? What
	did her story lead to the formation of? You might like to make a little fact file
	about her. <u>https://www.bbc.co.uk/teach/class-clips-video/true-stories-grace-</u>
	darling/z4y7pg is a good starting point.
	See also your reading of the Grace Darling reading comprehension.
PSHE	Think and discuss with your parents- What makes you feel calm?
	Mindfulness ocean colouring attached for calming activity.
