

Hello Year 4,

Hope you had a lovely day celebrating VE Day last Friday.

Below you'll find some new activities to keep you busy at home. You might need a bit of help from someone at home to get started with each one, but you'll soon pick it up.

If you want to tell us or other people in your class about what you've been up to, then you can login to your Class Dojo accounts.

Have fun!

Miss Hill and Mrs Lawes.

Reading	<p>Continue to keep reading at home as much as possible – remember reading doesn't just mean reading books.</p> <p>Hopefully, many of you will have used your login for Rising Stars. It is a fantastic resource with a wide variety of different texts. As you are reading, look out for the question mark that appears in the bottom right hand corner. Click on the question mark each time it appears and answer the questions that are related to the book you are reading. There will also be some questions at the end of the book to check your understanding and comprehension.</p> <p>This week, we have chosen two reading comprehensions about animals and their habitats. One is about hedgehogs and the other is about sharks. The comprehensions are available on the school website in the Year 4 section of home learning. There are three levels of the comprehension within the one document and the answers, remember to choose the one that challenges you! There is also the VE Day comprehension from last week if you have not completed it yet. If you enjoyed this, go to the Twinkl website and you will find more comprehensions to try.</p> <p>You can visit the Oxford Owl website which has lots of fun games to do linked to reading as well as online books with comprehension questions.</p> <p>https://www.oxfordowl.co.uk/for-home/</p> <p>Keep up to date with the news by visiting Newsround Website or watching the daily episodes on TV. https://www.bbc.co.uk/newsround/news/watch_newsround</p>

There is a resource attached to help you with the layout if you have chosen to do a cartoon strip.</p> <p>Try to include:</p> <ul style="list-style-type: none">• Fronted adverbials• Expanded noun phrases
