Year 4 Home Activities for May Half Term
w/c: 24.05.2020

Hello Year 4,

That is Summer Term 1 finished! Time is certainly flying by and you have been working really hard. We have enjoyed seeing lots of the outcomes from your home learning, we have really liked seeing your artwork inspired by Picasso and your pop art. We have also read some great pieces of writing. We are very proud of Year 4 for their dedication to TT Rock Stars during the Top of the Rocks competition and the battle between Children and Teachers!

Next week is May Half Term so it is time for you to have a week off! Instead of us setting you home learning we have put together some fun activities you might like to do just for fun but don't feel you have to do any – it is your holiday – your time.

If you want to tell us or other people in your class about what you've been up to, then you can login to your Class Dojo accounts.

Take care and have fun!

Miss Hill and Mrs Lawes.
