Phonics 'all' and 'Friday'

This week we are going to focus on the last 3 members of the 'or' family pattern and look at some tricky words. There are 6 main, different ways to spell this sound - the first 3 were covered last week. Use the practical elements or create your own to make the word bank then create a sentence challenge to practise reading and writing. Repeat the below 'all' examples with the tricky word- 'Monday'

Can you make some words out of lego or construction with tricky word 'Friday' or the 'all' sound in them such as ball?

Speed write- Go outside with a paint brush and water or chalk and set a timer- how many times can you write 'Friday' or 'all' words can you write in 1 minute?

Choose a favourite book and be a digraph spotter! How many 'all' words did you find? How many times did you find 'Friday'.

Now with the 'all' words you have made, wrote and read think of a silly sentence to put them in. For example "Mrs Smith is tall." Can you extend these sentences but using conjunctions such as 'and' or 'because'. For example "Mrs Smith is tall and on Thursday she threw a ball at a wall." Don't forget capital letters and full stops and include the tricky word if possible!
