Phonics 'or' and 'Monday'

This week we are going to focus on the 'or' family pattern and look at some tricky words. There are 6 main, different ways to spell this sound. Use the practical elements or create your own to make the word bank then create a sentence challenge to practise reading and writing. Repeat the below 'or' examples with the tricky word- 'Monday'

Can you make some words out of lego or construction with tricky word 'Monday' or the 'or' sound in them such as pork?

Speed write- Go outside with a paint brush and water or chalk and set a timer- how many times can you write 'Monday' or 'or' words can you write in 1 minute?

Choose a favourite book and be a digraph spotter! How many 'or' words did you find? How many times did you find 'Monday'.

Now with the 'or' words you have made, wrote and read think of a silly sentence to put them in. For example "Lord Norm eats pork on Mondays." Can you extend these sentences but using conjunctions such as 'and' or 'because'. For example "Lord Norm eats pork on Mondays because it is his favourite meat." Don't forget capital letters and full stops and include the tricky word if possible!

Fluency

Solve these additions. Use items that you can count with at home to help you.

Remember when a question has the equals sign (=) at the start it is still the same sum you need to work out. For example $__ = 5 + 3$ is the same as $5 + 3 = __$

$3 + 5 = __$

$4 + 6 = __$

$6 + 2 = __$

$7 + 4 = __$

$9 + 5 = __$

$8 + 6 = __$

$__ = 9 + 11$

$__ = 4 + 12$

$__ = 15 + 4$
