

Heron and Grebe Home learning

W/b 29th June 2020

Below you'll find activities to keep you busy at home. You might need a bit of help from someone at home to get started with each one.

Please feel free to upload any work or photos of activities that you have done at home to your portfolio on Class Dojo.

Every day, you may like to log on to **Numbots** and **Purple Mash** and complete any games. Already in class we have used 2Sequence to create a composition and create a leaflet.

Please keep an eye on the Class story page of Class Dojo, as your teacher may post messages on here to keep you updated.

Mrs Macdonald

Maths	<p>Please use Numbots and Purple Mash apps every day. See daily fluency tasks posted to your class story. Practise counting in 2's, 3's, 5's and 10's and ask an adult to test you on random times table questions such as 5x5= See upload of Can do maths learning pack for this week 2.12.</p>
Writing	<p>Descriptive piece (we have completed one of these this year already) Look at the images of the settings. Pick your favourite and plan, draft and publish a description of it. Remember to include expanded noun phrases, different sentence openers, subordination, conjunctions. Session 1-Planning- mind map adjectives and ideas for description. Session 2- Draft of a well- written description. Session 3-Published piece- typed or handwritten in best. You may like to take a photo or record yourself reading this on the Class Dojo. I'd love to see these.</p>
Reading	<p>Use Purple Mash and login. Choose a book from Serial Mash. See attached 2 reading comprehension – Antarctica fact finding and Camping trip story.</p>
Spelling/ grammar	<p>Common exception word practise (these are all of the spellings from Autumn term). Read, cover, write, check. Practise writing sentences that include the common exception words. Compound word focus- Use the compound word activity. Punctuation- sentence types activity</p>
Science	<p>Log on to Purple Mash and go to science- animals, plants, seasons, human body. There are lots of sections to explore. As we are coming to a close with our learning about habitats and food chains. This week I'd like you to make a poster mind map recapping on all of your learning about habitats and the needs of animals.</p>
PE	<p>CBBC, Go Noodle, Cosmic Kids Yoga and Joe Wicks at 9am are great sites to use. You could design your own work out- ten of everything- 10 star jumps, sit ups, jogging on the spot, balances etc. Write a workout using instructions and video and upload your workout to Class Dojo. Create your own game. Write instructions and play as a family.</p>
PSHE	<p>See poster article to discuss with your family- you could make a mind map about your feelings and ideas that you have with your family.</p> <p>DISCUSSION :Chester Zoo is the largest zoo in the UK and was closed on 21st March, following lockdown restrictions due to the Covid-19 outbreak. It reopened on 15th June after being closed for 3 months. During the long period it was closed, the owners were concerned that it may not ever have been able to reopen due to the huge lack of income caused by the closure and the huge costs involved in feeding the animals. Things to talk about at home... Have you been to a zoo? Did you like it there? If not, would you like to visit a zoo. Why? Some visitor attractions have not had staff at work during the lockdown period, but zoos have, why do you think zoos need people working there all the time, even when they're closed?</p>
