

Hello Year 6's!

Below you'll find a few activities to keep you busy at home. You might need a bit of help from someone at home to get you started with each one, but you'll soon pick it up.

We are opening the school to Year 6 this week and will be providing separate learning for the two days that you are in. These activities are designed to cover the three days you are not in school.

If you want to do something else, you can have a go at any activity you like on Purple Mash, or follow one of the other websites suggested by school.

Have fun! We'll update this page with a few more activities next week.
