

Hello Year 1's, welcome to Week 6 of Summer Term 2 – Monday 6th July 2020

This is our FINAL week of home learning for Year 1. Thank you to all of you who have completed various activities throughout lockdown, it has been lovely to see lots of work produced at home. We know at times it must have been hard but we hope you have enjoyed learning with your child.

The activities below are variations of what we had planned to do in school this week following the skills from the National Curriculum.

<p>Reading</p>	<p>Practice reading your school reading book and others you have at home. Use Oxford Owl (https://www.oxfordowl.co.uk/) to sign up for a free account, which gives you access to a range of ebooks that match their school reading level. Online phonics games are available on Phonics Play https://www.phonicsplay.co.uk/ they currently have all resources free when you use this login. Username: march20 password: home. We now have access to Rising Stars again. Your logins are the same as before which we had sent in a message to you on Dojo in March. We have attached a reading comprehension task about Planets There are 3 different levels please scan through and select the appropriate level for your child. We have also provided answers at the end. There is also a Summer Reading Challenge which you can sign up for to keep you busy reading over the summer. https://summerreadingchallenge.org.uk/</p>
<p>Writing</p>	<p>As we have reached the end of the year, we would like you to think about what you have enjoyed this year either in school or with your home learning and complete the task we have attached. We would also like you to write a bit about yourself and what you like or dislike ready to share with your new teacher next year. Make sure you wow them by remembering your neatest handwriting, capital letters and full stops and writing in a full sentence where you need to!</p>
<p>Maths</p>	<p>This week we are recapping on Time and Money. Please complete the attached task.</p>
<p>PSHE/Maths project</p>	<p>We would like you to have a go at completing a mini money matters project. Please click on this link https://www.valuesmoneyandme.co.uk/teachers/i-want-it-ks2 to find an activity that starts with a story about a little girl who wants to buy a hamster but doesn't have the money for it. Can you help by completing the activity that follows after the story? This could be a good project for you to complete over the summer or in the final week. Can you set yourself a goal of something you would like to buy for yourself or a family member, make a budget and complete tasks to save the amount needed? Parents will have to support with this task using the online resources, but could as a bonus could get your children to offer to do jobs around the house for you!</p>
<p>PSHE</p>	<p>Focusing on the 'Keep Learning' aspect of the 5 ways of wellbeing, can you teach us something new that you have learnt during lockdown? This could be how to bake a cake, counting in a different language, riding a bike without stabilisers, making something out of junk modelling. You could film yourself explaining on Dojo or you could write some instructions and take a picture for us.</p>
<p>Physical fitness</p>	<p>We have reset this as a task as not many people had done it last week. It also links well to our PSHE this week to encourage exercise. Can you practise your balancing skills? You could:</p> <ul style="list-style-type: none"> • Balance a book or a bean bag on your head and try to walk with it without it falling off. • Draw a line with chalk on the ground and walk heel to toe along it without stepping off the line. • Stand on one leg and time how long you can stay like that. Can you do it longer on the other leg? • Can you think of your own balance challenges?
<p>PSHE/Mental wellbeing.</p>	<p>On Purple Mash we have set a 2Do called All About Me. It is similar to the English task but it is less structured about what you want to say about yourself as there are other things in you enjoy doing that you would like to say. You can tell us all about your pets, foods you like, holidays you've been on, family members, favourite games to play etc!</p>

Just a reminder that Tapestry is now closed and if you have any work to send us, please do via Class Dojo.

Miss Stone and Mrs Hancock
