Any other details that we should know about? E.g. social care involvement etc	
If there are any other professionals involved with your child that we may need to know about, please give full details below, including name and contact details.	

Please use the space below to tell us about your child's routine, likes, dislikes and preferences.

Consent and Permissions

	Please tick if permission is granted
Emergency First Aid to be administered by a first aid trained member of staff	
If your child develops a temperature whilst at nursery of 38*c or above, you will be contacted and asked for verbal permission to administer appropriate medication such as paracetamol (Calpol) or ibuprofen (Nurofen). If your child's temperature continues to increase or does not reduce within the hour, you will be asked to collect them from nursery. In the unlikely event that we are unable to contact you, do you give consent for this to be administered	
Local outings (for outings which require transport, separate permission will be sought)	
Sun cream to be applied when relevant	
Photographs for the purpose of nursery displays	
Photographs to be used within the nursery newsletter which is sent out to parents	
Photographs on the nursery website	
Photographs on the nursery social media sites such as Facebook and Twitter	
Face paints to be applied	

I have annotated the agreed sections above by ticking to give permission for this to take place.

Terms & Conditions

The following terms and conditions form part of your registration agreement. By signing below you are signing to agree to our terms and conditions. Please read carefully.

Nursery operation and admissions - The nursery is open Monday to Friday, 8.45am - 3:30pm providing care for children aged from 2 to 4 years. All children must be registered with the nursery prior to attendance. Children with siblings within the setting will get priority places and also those children requiring full-time care will also get priority (see admissions policy). The nursery is open 38 weeks of the year excluding statutory bank holidays. During closures session fees are not charged. Session swaps are **not** permitted on a casual basis.

Attendance - Kingsway Early Years nursery is open for 38 weeks of the year. By accepting a place for your child at the setting, you are committing to your child attending for the full 38 weeks of the year. This is regardless of holidays which you may wish to take during this time. If you choose to take your child on holiday during the term, please be advised that you will still incur any charges that you would normally incur for your child's care e.g. lunches, early drop off, late collection or any paid sessions above your allocated funding.

Transition between rooms - If your child starts with us in our 2-year-old room, this does not guarantee you a space in our Ducklings and Cygnets room when they turn 3. You will need to make a request for your child to move to our K.E.Y site, including the sessions that you will require and if we have space to accommodate your request, they will be able to move. If there is no space to accommodate your request, they will be put on the waiting list for when the requested space becomes available.

Medication, illness, absence and emergencies - At The K.E.Y Nursery we are happy to administer prescribed medicines if your child is well enough to attend nursery. You will be asked to complete a medicine form when leaving your child. We will not administer medication without this information. Non-Prescribed Medicines must not usually be administered in early years settings (*Early Years Foundation Stage 2014*) however, we understand that there are occasions when your child may be feeling unwell due to teething, or a mild cold which could be assisted with non-prescribed medication. Therefore we **may** agree to administer non-prescribed medication depending on the circumstances. The **only** non-prescribed medicines we may agree to administer is Paracetamol (Calpol), Ibuprofen (Nurofen) or teething gels. Please note if your child is prescribed Anti-Biotics they are not advised to come into Nursery for **48 hours**. After 48 hours, your child is able to return to the setting and you can give permission for a member of staff to administer the medicine.

Exclusion periods for any illness will depend on advice provided by the 'Public Health Agency'; please request the associated policy for further details.

We ask that you inform the nursery as soon as possible if your child will be absent for any reason. First aid trained staff are available at all times and able to administer first aid in an emergency.

Special educational needs and disabilities (SEND) - Before starting at the nursery, parents/carers are expected to provide detailed information regarding any special needs that their child may have in order for us to provide the appropriate care and learning opportunities. The nursery has an appointed Special Educational Needs Coordinator (SENCo) who will liaise with you as required.

Safeguarding and Welfare of children - The safeguarding and welfare of children is paramount. It is therefore essential that parents/carers understand that we have a legal obligation to contact the appropriate authorities if we feel a child is at risk of possible abuse or neglect. We have robust recruitment and ongoing supervision procedures to ensure that staff caring for the children are suitable to do so.

Equal Opportunities - The nursery pro-actively operates alongside equality. Registration of children and recruitment of staff will be without prejudice or discrimination of any kind. The relative equality statement is available upon request.

Policies and procedures - All policies, procedures and working practices are in accordance with the Statutory Framework for the Early Years Foundation Stage. Please see the Nursery Manager if you would like to receive any further information.

Notice to terminate or alter sessions - 4 weeks' notice must be given in writing to the Nursery Manager to reduce/change your child's nursery sessions or terminate your child's place. If you choose to leave before this notice period, costs incurred will still need to be paid.

Funding entitlement - We accept spaces for children eligible for the Achieving 2 year old funding and also the government funding for 3 and 4 year olds. We also take children eligible for the 30 hours funding. Evidence of eligibility and acceptance for these funding schemes must be seen by the nursery before a space can be allocated. This will be photocopied as evidence of eligibility. Funding can only be used to pay for sessional care (as stated in the sessions section of this form) and cannot be used to cover any additional times during the day e.g. lunchtimes or early drop off. 30 hour funding codes need to be renewed by parents every 3 months. If you do not renew in time you may no longer be eligible for the funding and therefore charged for your spaces.

Fees and payments - Care provided at the K.E.Y nursery is charged at £5 per hour. Fees are calculated on a monthly basis (approx. 20th) and an invoice for any costs will be generated. Fees are due for payment within one week of the receipt of the invoice. Unpaid fees will result in the possible loss of space for your child and potential legal proceedings. Fees are reviewed annually, usually in August. 4 weeks written notice will be provided for any changes in the fees. Fees can be paid in cash, bank transfer or through vouchers. You may also pay for your child's care through the Tax-Free childcare scheme.

Arrival and collection - Children will be welcomed by a member of staff upon arrival and should never be left to enter the nursery alone. Arrival and departure times are strictly recorded on attendance registers. Only parents/guardians and authorised collectors over the age of 16 will be permitted to collect a child from the nursery. Please ensure that you arrive and collect on time as this can cause unnecessary distress to the children. A charge of £5

per hour/part hour will apply to unarranged care such as early drop off or late collection. This should be paid to the nursery within seven days of invoice.

Complaints procedure - In the first instance we recommend you speak with your child's key person. However, if your concern cannot be resolved in this way you are encouraged to contact the nursery manager or deputy manager in their absence. We endeavour to resolve any issues as soon as practically possible and all concerns and complaints will be fully investigated as a matter of urgency. The outcome of the investigation will be reported back to the persons raising the concern or complaint within 28 days.

If the matter cannot be resolved by The K.E.Y Nursery or you feel you cannot address them internally, then you can contact the regulating body, OFSTED.
