

Last term we learnt lots about the UK's countries and their capital cities – Belfast, Edinburgh, Cardiff and London.

We would like the children to create a poster naming the cities and remembering key information about them. They may need some help with some more research at home to complete these.

They could include:

- The country it is the capital of
- The name of the main river
- List famous buildings – e.g. castles, stadiums
- Interesting facts
