

Year 5 First 48hours work

Hello Kestrel and Owl class,

In this folder you will find a selection of tasks that revisit learning from the past term and will be useful revision for you while at home.

Maths

In here you will find Do it, Secure it and Deepen it tasks that help you revisit your multiplication and division learning. You will be dividing 4-digit numbers by a 1-digit number aswell as practising your standard written methods of multiplication also.

Please use your time to log into TTR and keep up your timestables knowledge or practice these on paper while linking your division facts also.

Writing

Create a new pet, a made-up pet that combines at least 2 creatures!

Task 1 - Describe this pet using a range of expanded noun phrases, a range of sentence types and remembering ISPACE for your fronted adverbials.

Task 2 - write a set of instructions about how to care for this creature. Remember to use adverbials of time, imperative verbs and adverbs to describe how to carry out tasks.

Reading

Task 1 - Design a bookmark that will get other member of Year 5 to think about the book they are reading more carefully. Could you include questions?

Task 2 - Complete the questions about the text Three Friends. Answer the questions that ask you to use your summarising skills. Remember, to summarise means to include the key details but no extra description eg what, where, who, when and why maybe help to extract the key details.
