Dear Parents/Carer

Summer Term

The children returned to school well last week; the slight relaxation of the restrictions from the lockdown mean we can begin to plan events and activities that are more usual – we are so excited to be able to begin, slowly, to return to some sense of normality as we follow the Roadmap outlined by the Government.

Attached to this letter, you will find a list of dates for the term ahead. Some still need to be finalised and are shown in italics; we will confirm these dates as soon as we are able.

Welcome to new parents

We are delighted to welcome both a large number from our current nursery and also those new to the school. As ever, some families are known to us through siblings and for some, it's their first child at the school. Whatever your personal circumstances, we are delighted that you are joining our wonderful school and we look forward to working with you for your child's best future. At this precise time, we are still awaiting the final list of children who are joining us in September but as soon as it is confirmed, we will be in touch to explain this term's events and the transition process in more detail so your child can make a smooth and happy start with us.

Our Curriculum

In the past 12 months, we have focused on enhancing and developing our school curriculum to ensure it is rich in knowledge, broad in experience and engaging. We are in the final stages of this process and know that your child will experience a truly impressive curriculum that prepares them well for their lives ahead.

Each term, a letter and curriculum map is sent to each year group to outline what is being covered both for your awareness and so that you can support your child with their learning at home if you wish. Please remember the vital role that reading plays in your child's development: spending quality time with your child and a book each day is key.

Keep in touch

During the lockdown, we managed to keep very close contact with all families and we want you to know we are still here to help you need us in any way. Please remember to contact teachers via class dojo if there is anything we can do to help.

Yours sincerely

L Pajak
Headteacher

Kindness Perseverance Success

Date list for the term ahead:

- Most Tuesdays this term: Active Mile – children across the school will take a moment out of their day to run a mile or more in our assembly time.
- School dinners – all children are now able to have a cooked meal each day
