Dear Parents / Carers

Parents' Consultation Meetings – week commencing 17th May 2021

The second parents' meeting of the year typically takes place after the February half term. Covid has delayed this opportunity and we know that, in many cases, parents will have a good understanding of how their child has been performing during home learning.

However, this parents' consultation is very important; it will allow us to focus on how your child has settled on return from the lockdown and will provide a chance for us to discuss some key areas of learning that we are addressing in school and that you can also support with at home.

Due to the ongoing restrictions, they will follow the same virtual format as in the autumn term.

To support workload, these meetings will run from 11.00am and into the early evening – booking slots will be made available via the Parentapp at the start of the week and teachers will book a slot via Teams for you to attend. The meetings will be 10 minutes in length and will run strictly to time.

Please make a note of the date of your child's parents' meetings as listed below. We appreciate that this is during many parents' working day and we thank you for your flexibility in attending on the day assigned. Should the date be absolutely impossible for you to attend, please send an email to your child's class teacher so we can consider how best to contact you.

We look forward to seeing you virtually next week.

Kind regards

Lee Pajak
Headteacher
