

## English

Children's writing this term will be inspired by our theme, including Wallace and Gromit's Cracking Contraptions We will be writing stories, letters, recounts and reports.

Keys skills will include:

- Correct use of apostrophes
- Using a range of conjunctions in our writing
- Developing stamina to write longer pieces with paragraphs

## Maths

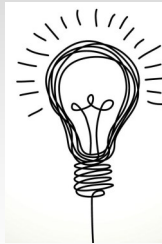

This term we will be mastering our knowledge of:

- Measurement—Money
- Measurement - Capacity and Temperature
- Addition and Subtraction
- Multiplication and Division (2s, 5s and 10s)

## Science

This term, we will become biologists focussing on the study of plants. We will be learning:

- To name and sort different types of trees
- To recognise changes to deciduous trees through the seasons
- To name and describe the conditions needed for a plant to grow
- To observe and compare changes to a plant over time
- To describe the stages of the lifecycle of a sunflower

## Art

In Art, we will become printers! This will include exploring hand and finger printing and then designing and creating our own stamps. We will also create polystyrene tiles to print with, focussing on producing a clean printed image.

## Computing

In Computing, we will be learning to:

- Create Pictures
- Make Music
- Present ideas

## Geography

In Geography, we will be finding out about hot and cold areas in the world. We will learn:

- To locate the Equator, Northern and Southern Hemispheres, North Pole and South Pole
- To locate and name countries within climate zones

# AMAZING INVENTORS

## DT

In DT, our focus will be Mechanics. We will be designing and creating products using levers and winding mechanisms.

## Music

In Music, we will be looking at the song 'Friendship Song' by Joanna Mangona and Pete Readman. As well as learning to sing, play, improvise and compose with this song we will also listen to and appraise other songs about friendship as well as performing and composing using glockenspiels and voices.

## R.E

We will be learning about and from the religions of Islam and Christianity. Our key questions are:

What is the 'good news' Christians believe Jesus brings?

What makes some places sacred to believers?

## PE

Our key areas in PE this term are multi-skills style games and athletics

In games, we will be continuing to develop our multi-skills including throwing, catching, batting and applying these to team games.

In athletics, we will be learning to run at different speeds, recognising the difference between walking, jogging and sprinting. We will also explore different types of jumps.

## PSHE

This term we will continue to focus on British Values and where these are applied throughout our day to day lives. We will also be looking at ways to keep ourselves safe at home, school and outside.
