### Message from the Headteacher

Dear Parents/Carers

Well, what a year, what a school and what a team!

It is my pleasure to send you this, the final newsletter of the year at the end of my first year as the permanent headteacher of the school.

Together, both as a team and a community, we have faced many challenges and I am proud of our accomplishments.

A special mention must go to the children: they have approached each day and each scenario with positivity and have embodied our values of Kindness, Perseverance and Success. Every child should be proud of their achievements at home during home schooling and in class – great progress has been made across each and every year.

I would like to thank the staff and governors too. Every single person on the team has contributed to making KPS not just cope but thrive under the circumstances. The many external visitors to the school have praised the incredible progress made: with the curriculum, with standards and with the maintenance of what makes our school a special, warm and inclusive place where everyone is valued.

Over the summer, we will be busy preparing for the new year; we will keep you informed of any updates regarding arrangements for September. But for now, we wish you all a happy, safe and relaxing summer holiday.

With best wishes

*Mr Pajak*

It is with great sadness that we have to say farewell to three of our wonderful staff, Elena Neal - Nursery Practitioner, Jordan Carey - Year 3 Teaching Partner and our lovely Miss Sandy - Reception teacher, who have all been a true inspiration to the children they have worked with over the years.

I hope that you all will join the children and staff at KPS in wishing them all a fond farewell and thank them for helping the children in becoming the best they can be. I know the children will miss them a lot. Good luck to you all on your new journey.

## Spotlight on Sports Day - Whirlwind, Hurricane, Typhoon, Tornado, Lightning, Meteor

Sports day was a little different this year. All children were given opportunity to take part in five events each to get their best personal performance. The results were then converted into points for their house with the highest points scored resulted in the winners. The children completed a speed bounce, standing long jump, ball (KS2) or bean bag (KS1) throw, obstacle run and compass run.

The children were not only great athletes but great sportsmen and women as well, supporting and encouraging each other, whilst showing great team work.

Thank you to all the children for their passion and determination to do their very best. Mrs Lawes.

### Sports Day Results

- 1st - Whirlwind 664pts
- 2nd - Hurricane 644pts
- 3rd - Lightning 617pts
- 4th - Meteor 614pts
- 5th - Tornado 608pts
- 6th - Typhoon 590pts

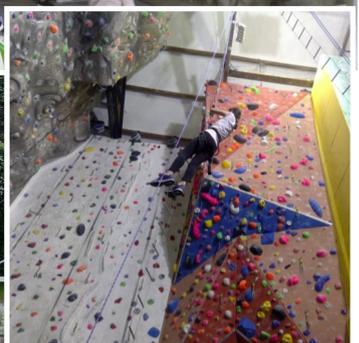

Our Sports day would not be this well organised if it wasn't for the fantastic Mrs Lawes and her wonderful team of helpers. A big thank you from all at KPS

## Farewell to Year 6

# Y E A R 6 2020 - 2021

Year 6 is a memorable year for any child. It's the year that you leave primary school behind and embark on a new journey, closing one chapter and beginning another. The staff at Kingsway Primary School feel really incredibly privileged to have worked with such a wonderful group of young people and look forward to watching you continue to flourish. Secondary School will be full of new challenges and exciting memories -the world really is your oyster. We are aware that this year has been extremely memorable for you for many reasons, most of which we could not have possibly anticipated! We hope that our end of year production and video acts as a token to help celebrate your time at Kingsway Primary School and provide treasured memories that will last for years to come. Hopefully you can look back with fondness whilst also recognising all that you have overcome as the class of 2021.

*Remember to dream big  
and reach for the stars.*

## Amazing Drawing by Paul - Peregrine Class

This amazing drawing was created by Paul in Yr6 Peregrine class.

Knowing the Yr6 production was What a Knight, Paul took it upon himself to have a go at producing

something that could be used in the production. The drawing took Paul 2 weeks to complete using a drawing tablet. It will now take pride of place as the backdrop to the Yr6 production.

Thank you Paul for all your hard work, its looks fantastic.
