Over the past two years, we at Kingsway Primary School have developed our SEND provision; we are now in an excellent position to embed and refine practice further. We are looking for the right person to join our team for the coming year; to play an key role in maintaining established processes while supporting the ongoing development of teaching for SEND pupils from entry to our nursery to exit of Year 6.

If you are dedicated and committed to ensuring that all children have the best provision irrespective of their starting points, and want to be part of dynamic and aspirational team that is driven to provide the best opportunities for children with SEND, you are just the person we are looking for.

Given the high-profile nature of SEND and our dedication to supporting children with specific learning needs, the appointed member will join the school's leadership team, adding their vision to the strategic direction of the school. There is no class-teaching responsibility and the SENDCo has their own office.

We are looking for a SENDCo who:

- is an experienced and able teacher with SEND qualification
- is passionate about inclusion and can evidence the provision of exceptional learning experiences for all children
- can guide the development of the school's provision for SEND
- is committed to equality of experience and maximising life-chances
- is highly personable: able to relate to parents, children and the wider community
- can forge ongoing improvements in teaching and learning for all

We offer:

- a highly supportive team: leaders, teachers, teaching partners and governors
- genuine opportunity for professional growth, local networking and strategic influence
- wonderful children and families to whom you can make a significant difference
