

WALT find and retrieve information from a text accurately.

1) Where is Malkin?

- a) In an aeroplane
- b) In an airship
- c) In a boat.

2) What is the name of the airship and who is the captain? **Find and copy a group of words** which tells you.

---

3) Name one of the weapons that the silver airship possesses. **Find and copy a word** which tells you.

---

4) Why was Malkin barking? Use evidence from the text to explain how you know.

---

---

---

5) Number each **event 1-5** in the order that they happened. Make sure you use the text when completing your answer like we have done in class and then again to check your answer.

Event	Order
Burning gas filled the flight deck.	
Instrument panels flickered into red danger zones.	
The harpoon hit the stern.	
The silver airship pulled them in.	
The harpoon hit the port side.	

6) Complete the table to say whether the statement is True or False and give evidence to prove your answer.

Statement	True or False	Evidence
1. Malkin is a person.		
2. The silver airship was chasing them.		
3. The events are happening on the ground.		
4. The silver airship did not have any weapons on board.
