#### Farewell to Miss Munford as she will be leaving us on the 17 December 2021

It is with a tear in our eyes, that we have to say a fond farewell to our lovely Miss Munford. She has been an integral part of the school team and great support in her pastoral role to parents and children throughout the school. I hope you will join us in wishing Miss Munford all the very best and good luck in her new job and for the future.

#### Message from the Headteacher

Welcome to the start of the festive season for all those who celebrate Christmas in our community. School is looking lovely with the children helping decorate the corridors and trees around school. We are certainly getting in the spirit and hearing the wonderful singing from Years 1 and 2 as they prepare to record their carol service is a tonic at the end of a busy term.

#### Reception intake September 2021

We are so eager to see all the parents who have joined us this year in school and sharing your child's classrooms and their learning with you is a top priority for the start of term. We are so frustrated and sorry that the restrictions have stopped us from opening the doors to you. I know you have heard me say it before, but we will have you on site as soon as we can. In January, you will notice that we are running after school visits for prospective parents - we will run the tours for our current parents in the week or so after even if this has to be after school and in small groups.

Thank you to all the children who took part in our Road Safety poster campaign - the winners will be announced in school next week. Keep an eye out for these posters outside of school in the coming weeks as they are made into signs for us to display.

I hope you enjoy reading a taste of our school for the past few weeks in this edition of our newsletter.

Mr L Pajak  
Headteacher

All our policies are updated and are on the website.

# Remembrance Day

All the children and staff, led by our services children, honoured the fallen by having a 2 minute silence outside.

Tom, a young gentleman from Crypt Grammar school, also join the service to play the Last Post and Rouse on his bugle. This made the service more memorable.

After the service, the services children and a child from each class, along with members of staff, then planted a poppy at the front of the school.

I felt very proud of all the children on this sombre occasion.

During the day, the children did lots of remembrance day activities to and talked about why we remember at this time of year.

## Children in Need

**WOW!** What amazing support we have had today, raising funds for the NSPCC Children in Need Day. The children had a non school uniform day, some children dressed up in Pudsey style spots, wore Pudsey headbands and some in fancy dress. The children also had lots of fun with the Pudsey activities in class. Thanks you for all the donations sent in. You'll glad to hear, with you help we have managed to raise over £320.00.

**THANK YOU**

## Reception - Royal ball

Swanfishers (or Kingfisher and Swan) were cordially invited to a Royal Ball this week. Having spent the past few weeks learning to greet like royalty and to dance with a partner, the children put on their most regal outfits and waltzed with elegance.

They concluded the festivities with a banquet of jam sandwiches, biscuits and squash.

What a royally enjoyable day!"

## Odd Sock Day - Anti-Bullying week

### All we needed to do was wear odd socks!

It was a great way to celebrate what makes us all unique at the start of our Anti-Bullying Week! All the children from the Key to Year 6 and staff were invited to wear odd socks. Classes spoke about our British Value-Individual liberty and what makes us special. We had the right to express ourselves through our socks and had some wonderful discussions around our similarities and differences and how we all should treat ourselves as equals. We then continued the week with 'one kind word' as our anti bullying week theme and completed various role plays, poster making, debates and games around this. This was a simple task for KPS as 'Kindness' is one of our core values.

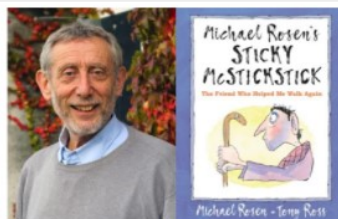

## Michael Rosen, children's poet and author.

A special event with author and poet Michael Rosen for Read for Good Schools

On Thursday 18th September, pupils across the school were treated to a virtual interview and story session with the renowned children's poet and author, Michael Rosen. He read from his new book *Sticky McStickStick*, a heart-warming story based on his harrowing experience of recovering from Covid in hospital and regaining his strength. The children loved his natural humour and entertaining anecdotes and we look forward to experiencing some more of his wonderful books and poems in the future.

### Trial rental e-scooters

There are also a number of UK Government trials underway to pilot the use of rental e-scooters in some towns and cities. The rules surrounding these are different to the ones that relate to private e-scooters.

**These scooters are not toys and should not be used by children or given to children to use.**
